THE ARCHITECTURAL DESIGN

The Architectural Design of the Inter-Dimensional Free World Council Sacred Transcribing Eternal Volumes is to provide a working format gifted to humanity regarding Riza's personal grid working mission sets, mission strands, and the reports written from remote viewing and or quantum observations of the Planetary Grid and other various locations in the Time Matrix - Ecka Veca System. All copious notes provide an upper hand or an access point into the time fields for Emerald Order Special Forces to conduct their process of returning Cosmic Order and the Natural Organic Blueprints of Stellar Bodies and Constellations as they were designed by God Force- God Source, the One True Creator.

THE AUDIO IMMERSIONS FOR YEAR 2024

The audio immersions for 2024 will precisely go over many topics and grid working projects displayed in Volume 1. The intention for the audio immersions of every volume installation is to provide levels of deeper clarity regarding certain grid projects and what was felt, seen, and heard while embarking on such Emerald Order mission sets and or strands from the viewpoint and authentic expression of Riza Harris. All audio immersions through eternal time of each volume are placed in the [Audio Archive of Changing Planetary Architecture](#).

IFWC VOLUME 1 YEAR 2024 ~ QUANTUM OBSERVATIONS AND REMOVE VIEWING REPORTS

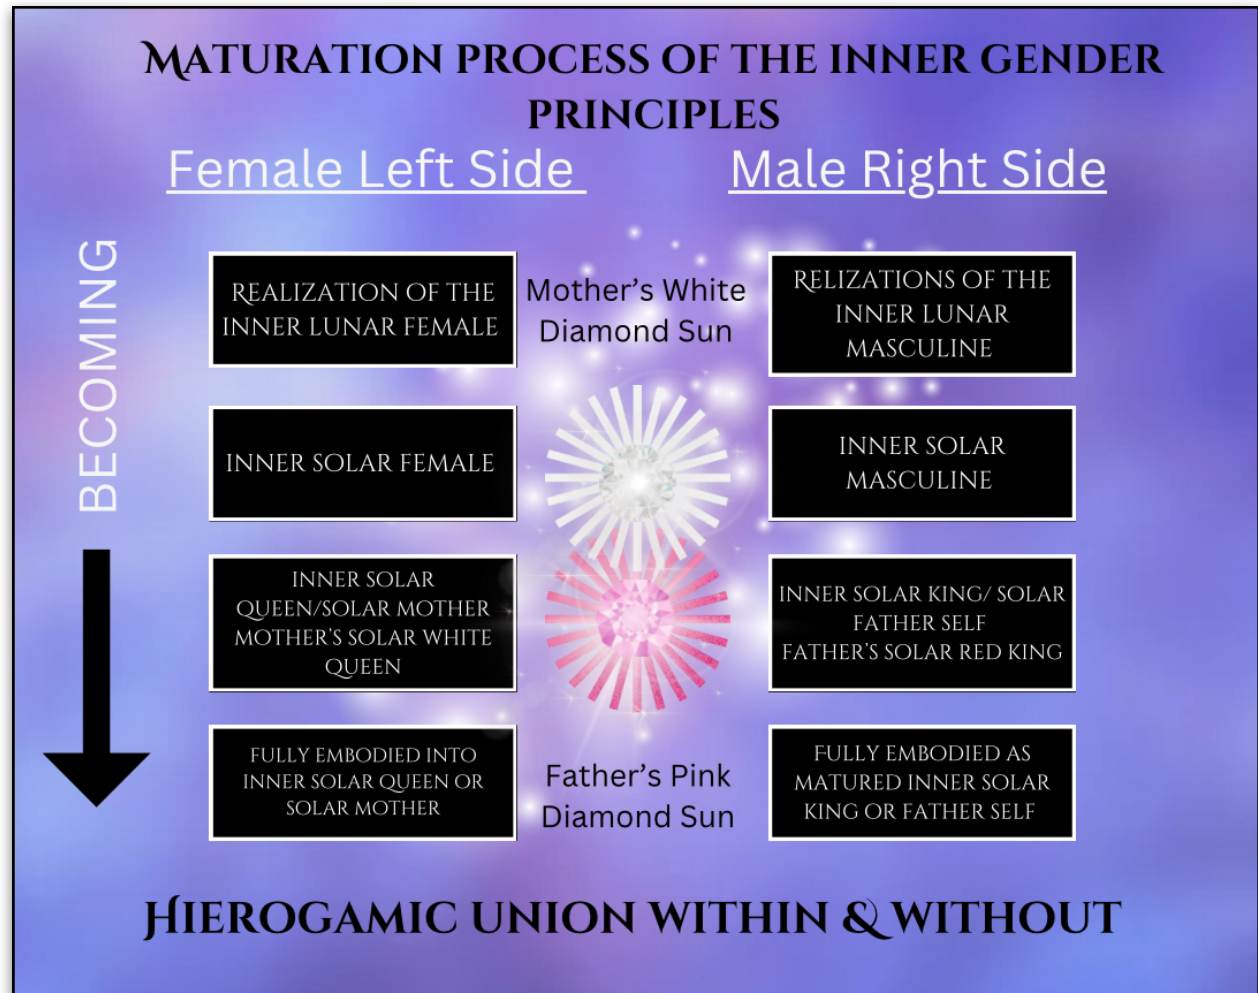

The Return of Glory of God Templar Principles and the Down Fall of the Satanic Financial System Project Series

Returning the Glory of God through several sessions moving out those who are abusing the template in the first place. My Christ Consciousness through the emanation of my Christ-Seed central point of the Cervix was looking for the correct places in the time fields of abused Glory of God templates. Sacred Mantrum (Long Mantra) tones to be worked with are the Triple Solar Dragon White Queen Template + Activate 12 Strands (of DNA). The mantrum that arose for this project series was *Glory of God* as a repeated sacred command sentence for biological activation sequences in my system. I most times activate my DNA Template and streamline my embodiment through sacred sound tones and repeated mantras. It is advised to breathe deep within your crystal diamond heart and test for resonance if certain mantras would support your individual ascension experience.

Sacred Mantra Sentences:

The sacred mantra sentences come in the form of a trinity format or a trinity set, and the sets are to be traveled with one sentence at a time for various weeks until that has shifted the embodiment of the inner genders, or inner gender polarities. The maturation process of the inner gender principles is that we begin forming a deep and loving relationship with our inner female, and then that essence grows to become the inner solar female or the inner solar feminine through the reparenting process. From the maturation process of the inner solar female comes the inner Solar White Queen or the inner Solar Mother, the Mother Self in embodied forms. We then begin our embodied process or journey connecting to our inner male or inner masculine, healing any soul wounding we may have around the father or solar masculinity, which will heal the reversed embodiments of alpha lunar tyrannical and patriarchal king or false father archetypes. Our inner masculine principle become the inner solar male or inner solar masculine. The further maturation process of the inner solar male is the inner solar red king or the Inner

Red King, Inner Father Self. From the embodiment of our Inner Solar White Queen or Mother Self on the Left and the Inner Solar Red King or Father Self on the Right we seek to come into inner hierogamic union or absolute balance of the inner genders within and without. It is helpful to ask yourself these questions in regards to what relationship you have with gender principles internally and externally to see with clarity levels of inner balance which ultimately fortify the central channel connection to God.

Becoming Embodied Unity

“What is my relationship to the feminine? How does your inner feminine feel? What does SHE need in order to thrive within and without? How can I better support my inner feminine? What beliefs do I have about the feminine?”

*For Men: How does my Inner Feminine relate to me as a man, and how do I as a man relate to my inner feminine?

*For Women: How does my inner feminine relate to me as a woman and as a woman how do I relate to my inner female?

Women should be absolutely committed in being of service to their inner female so that the inner male can rise to their sovereign position, this will also show up collectively because women must arrive to their solarized embodiment of maiden to mother to have the collective of embodied men rise to support the feminine in all of her shining glory. The vision or advice is to mentor men in serving their inner feminine so that their masculine strength can begin to get stronger. We must remember that it is the Cosmic Mother Blue Ray that came first then the Holy Cosmic Father came to support the Cosmic Mother in all of her glory and perfection.

“What is my relationship to the masculine? How does your inner masculine feel? What does HE need in order to thrive within and without? How can I better support my inner masculine? What beliefs do I have about the masculine? With the sentence - *My inner male is treasure beyond measure*. How do you feel about that statement?

*For Men: How does my Inner masculine relate to me as a man, and how do I as a man relate to my inner masculine?

*For Women: How does my inner masculine relate to me as a woman and as a woman how do I relate to my inner masculine?

If your body does not have the receivers for certain mantra sentences like - “Triple Solar Dragon White Queen Template,” your inner Christ-self will not guide or lead you to doing that mantra sentence or mantra series. You are looking for a mantra set that feels alive and aligned to your path of personal spiritual growth. Personally speaking, I am always traveling with the “ Triple Solar Dragon White Queen” mantra sentence displayed to further activate that template since I am an embodied Elohei Solar Dragon Founder being with embodiment sequences of the Elysian Ascended Master, Maji Grail Queen ascending with Sister Cosmic Phoenix Body, Tiamat. The tasks and missions that I have been designed for call for such aggressive training sets and styles to further activate inner dragon awareness and

consciousness to extract alien machinery from the grids and support cosmic order being restored through the activation of the Nomi Gene and the return of Gold Order's Tiamati Refugee Races. Often times these mantra sentences will result in experienced ascension symptoms. Take good care of the body after a mantra breath-work set. Sacred Mantra Work is a technique that is debuted in certain Freedom Techniques for activation of the original 12-Stranded Diamond Sun Template.

After a mission task, the Cosmic Christ families are giving the newly collected and revealed information over to our Solar Dragon-Pegasus Founders to further put together after our sleep training sets are done. The bulk of the highlight was that

there needs to be grid working done to reclaim the Glory of God Template and that orgasms or solarized "Eiras" from a solarized and eternally open and surrendered to God cervix portal, is the holy grail of a God Mother Solar Embodiment. The high-luminosity orgasmic solar potentials of the scared cervix portal from an initiated Elohei Feline White Diamond Goddess from the temple of Elodeah helps to return the Edenic Paradisian blueprints back to earth and initiate the embodiment of the King Dragon Lineages. More is to reveal itself regarding the sacred cervix and its divine connection to Cosmic Mother as a consciousness portal and master creatrix from the Avalon Realms with the ability to produce high luminosity edenic coding for the return of the Gardens of Eden. The templates of Glory of God needs to be taken out of the wrong hands in order to use it correctly via an Embodied Maji Grail King and Queen. Lotteries are considered reversed Glory of God ~ I still very much feel the organic infinite wealth billionaire frequency woven into my diamondine bones + shimmery sun-star cerebral spinal fluids.

A recent question has come to my mind: When do our original Founding Fathers step back into "presidency?" Our organic christos Holy Father Representatives as President leading the country into the ascension cycle and restoring cosmic order to the inhabitants of this Earth...

"The Glory of God is the Cosmic Templar Founder's Principle used to generate wealth and resources to the inhabitants of the earth, when their gender twinning is restored, and their connections to the Templar via an Ascended Master Solar Dragon's grail flowering line is present, as the grail lineage children of the earth (Angelic Humanity) ascend through the healing of their inner grail and gender." (Excerpt from Mhairi from the Reference Library of Omnilov3.com)

Glory of God ~ the Cosmic Templar Founders Principle of Abundance

When I started doing timeline work with my dragon consciousness layers, what immediately arose was the interaction of Solar Dragon King Arthur. He was explaining for me to find the King Arthur Statue in Tintagel Castle- Cornwall, England.

After I found the statue, he promptly guided me to breathe on the statue re-animating the satanically bound consciousness that had been consecrated to the statue at the time of making the statue in his name and his shape as a form of mockery. The consciousness of King Arthur's body was stuck and bonded inside of the statue by the usage of the materials that made up the statue. It was the breath of rounds of white

diamond dragon's breath that freed the consciousness units bonded and stuck in the statue. In May 2022, I found parts of my consciousness bound to a Black Madonna golden "Mother Mary-Virgin Mary" statue when I was assigned to the Black Madonna Network Project to free all consciousness units that were stuck in these statues. Pieces of King Arthur were freed and taken to Alhambra Palace Holy Architecture for rehabilitation. As I was breathing, there was a line activating below the statue that simultaneously connected to Saint Michael's Mount in England.

Introduction to Guardian Representative Abraham Lincoln

Please Note: It is sometimes rather hard to account for and take notes regarding the grid working sessions due to living by the mantra - Moving at the Speed of Light. There are certain projects where my activated Solar Dragon Centrifugal Senses are collapsing AI Timelines, evicting Anti-Christ Forces, searching out their hubs, integrating handbooks and speaking with Krystal Star all at the same time in a very seamless process that is extremely hard to put into words.

It was revealed to me while working on this project that Guardian Abraham Lincoln has tasks to dismantling the shadow government through Holy Fathers Ruby Book of the Law. Through many series of events of freeing his consciousness stuck in several statues and or places consecrated to his name- as a team we were able to dawn and raise Holy Fathers Ruby Domes placed in Washington D.C. From observation as this project continues to unfold there is a Holy Father Lincoln line filled with Solar Dragon spiritual gifts in the United States to support the strengthening of Holy Fathers Cosmic Pillar of Justice and Pillar of Valor. Through direct contact and illuminated telepathy with one another, Guardian Lincoln has explained his plans in working together to reclaim the Glory of God Templar Tools that work in tandem with the Three Fisher Kings coding located in the belt of Orion. He is spiritually supporting humanity through Holy Father's Dragon Consciousness, the return of Leadership that serves Angelic Humanity and the Constitution. The natural blueprints of the rightful benevolent Maji Grail King and Queen reigning supreme aligned to God's Will for angelic humanity, decimating and transiting the Negative Alien factions off our Mother's and Father's Dragons Body.

The Quick Notes:

- Demonic essence guarding the National Treasury, controlling dark banking cabal financial structures. Status: Evicted and Decimated
- Ruby Domes raised in D.C, Ruby Pillars emanating in D.C as of NOV2024
- Preparation for the Book of the Law to be enacted by Holy Father's Representatives.
- Lincoln Father Ruby Red Rose Grail Line activated by spiritually consecrated Ruby High Celestial - High Luminosity Eros Seed from an Elohei Founder Dragon.
- The beginning of greater transits and Super-Nova states by Ruby Cosmic Father.
- Beginning of remote viewing the Sagittarius constellation (apart of this Glory of God Grid Working Project Series ~ *Founder Reclamation Project Name: Glory of God*)

Enlightened Direct Contact, Illuminated Telepathy with Holy Father Guardian Representative Abraham Lincoln

One of our Founding Fathers, Solar Christos Guardian Representative Abraham Lincoln set up communication pillars that are accessed through select spanner bracelet designs. The spanner bracelet designs are genetically key coded to the Founder Race Lines standing for Eternal Streams of Cosmic Freedoms and Cosmic Order. Once inside the Ruby Holy Father Communication Pillar, I was taken outside of time to a Ruby Cathedral with big round tables present. As I took a seat, I was greeted by the

consciousness of Guardian Representative Abraham Lincoln. He had discussed with me the success in the raising of a Holy Father Ruby Dragon Dome in Washington D.C and that several Ruby Pillars are scattered across the planetary grid in D.C that are fully connected and resonate with Holy Father's Pillars of Valor and Justice supporting the gentlest and precise process of Trifurcation (7D Gaian connection - Founder Elohei / Seraphei Dragons, 5D Taran connection - Christos Starseeds, Indigo, Elohei-Elohim/ Seraphei-Seraphim families, 3D AI descending timelines disconnection and break off split points) and Global Disclosure, the Great Collective Awakening. We had discussed his mission task and several mission strands through eternal time of dismantling the shadow government which included decimation processes of digital currencies used within Secret Space Program Treaties. These decimation processes were explained in the manner of going over in a list the subjects to be addressed. All cryptocurrencies, the satanic all suppressing financial system, black budget, race lines with obscene amounts of wealth from Satanic Ritual Abuse (SRA) is to be addressed by the consciousness families of Holy Father in Perfect Timing. He had explained to me that the current Exo-Planet Founder Builder Project (Juparian Yellow Diamond Thar Project) with its connection to the soon to be streaming 3 Fisher Kings in the Orion 3 Star Beltway supports the Christos Mission in the completion of these mission tasks. Guardian Lincoln revealed to me a Ruby Lincoln Line connected to his dragon body that runs across the United States similar to the Michael-Mary Line in the UK. Through direct telepathic communication he revealed that the Ruby Lincoln Line holds spiritual gifts in the form of dragon eggs and is key coded to hold and return Holy Fathers Ruby Book of the Law and uphold the Solarized Magna Carta and the Constitution for the longevity of humanity's freedoms being restored. The Ruby Lincoln Line is in alignment with the masterful embodiment sequences of the Maji Grail Red Solar Dragon King- embodying Aurora Elemental sets of Sacred Fire and Sacred Air through the Solar Constellation alignments of Aries, Sagittarius, Leo, Gemini, Libra, and Aquarius. These spiritual gifts available to humanity through the Ruby Lincoln line assist all males and the Red King embodiment of mastered embodied universal natural laws. The locations of the Ruby Lincoln Line will be revealed at a later date. Kingship Arcs and Ruby Arcs are present through the Spiritual Dragon Line. Through our communication with one another, Guardian Lincoln had explained that the sacred line supporting the return of Emerald Order is called the Mary-Lincoln Line of Spiritual Blessings and or the Mary Sophia-Lincoln Line. An intersecting point of this spiritual blessings Dragon Line is located at the Sequoia National Forest, King Canyon National Park where the tree species Redwoods, and Sequoia King Elder Trees are being activated or initiated into their

highest spiritual purpose to support the embodiment of all males globally rising into their inner embodied Red King with their White Queen in inner hierogamic union.

The Mary - Lincoln Line of Spiritual Blessings in the USA:

- Washington DC, White House (still in construction)
- Sequoia National Forest, King Canyon (Red Kings Canyon) National Park
- Grand Canyon, Arizona (King Dragons awakening to be of service to God, Holy Father's Return)

~ STILL UNFOLDING AND CONTINUING TO REVEAL ITSELF ~

There is now ordained King Elder Red Wood and Sequoia trees that are spiritually holding all of the knowledge and guidances that a Maji Grail King would need to self-actualize his loving leadership to guide humanity into their highest spiritual glory. The sprawling brilliance of these trees hold the consciousness units of our Holy Father in service to the maturation process of our inner masculine principle- to be the warrior and protector of the sophianic grail line or Mother/Solar Feminine. Through in-depth conversation, he had discussed the activation sequences of the king dragons located in the Grand Canyon deep within the crust of the Earth. One must understand the sequential purification of Cosmic Mothers Holy Aquifers that had to be completed in order for these ancient Solar Dragons to begin their process of coming out of stasis to return Cosmic Order. The anatomical units of Gold and Copper present in this area went through a process of alchemical transformation in order to begin to release the bindings of shadow metalloids and elementals in which the collective consciousness of Gold, or the elementals representing Gold have come forward to discuss their pain in being forced into a satanic system called the financial system or false abundance. There are sets of Kingship Arcs supporting the further awakening of the Solar Dragons placed in the location of the Grand Canyon, USA.

The Paliadorian King Dragon Lines are working on several ongoing projects in the higher time fields that address the Inter-dimensional satanic usages of obelisks globally. The obelisks globally, near undersea alien bases, and specifically the Washington Monument, Cleopatras Needle, and many others that are scattered across the planetary grid are being addressed. These obelisks are undergoing transformation in the highest order. Their transformation involves disconnecting them from the lunar SSP moon base, and turning each satanic technology into a gleaming ruby erected Holy Father God

Technology to stream the needed plasmas into the phantom matrixes which the obelisks span into multidimensionally. The ruby plasmas and assorted plasmas like Magenta Diamond, Christos Ultra- Violet Dark Matter Plasmas will decimate and take down Negative Alien Black Sun architectures that have been used to enslave humanity. Each obelisk is going through its process of transformation and being of service to God. Once this project is completed, the Paliadorian King Dragon lines will begin to work on all needle towers and the tallest towers globally that have running lunar spires in regards to these towers running highly specific lunar MK Ultra mind control sets and that the towers ongoing disrupt the atmosphere by providing hubs and stations for archon ships to dispense suppressor implants and assorted transgender- transhumanism mind control to the masses.

Paliadorian King Dragon Project Updates

This is an updated ongoing list as the Paliadorian King Dragon Lines notify me what has been completed and the next tasks they are working on.

- Successfully completed the set up of the Obelisks placed in the United States. Getting ready to overflow their workload and tasks into Canada. It has been revealed to me that these obelisks interact multidimensionally with the Internet of Bodies and the Digital realms that are built by Quantum Super Computers.

Through a recent conversation with Guardian Lincoln, discussed was the massive amount of concentrated AI timeline, the creation of AI Timelines from the D-Wave Quantum Computer system that spans out inter-dimensionally, and Particle Colliders creating time rips. More things will reveal itself when I step off on that project series of remote viewing AI Timelines and collapsing them with the Triple Solar Dragon White Queen Template. My priorities is activating the Triple Solar Dragon White Queen template to its fullest potential, going through sequential steps of DNA activation to embody the Diamond Sun 12 Stranded Template, and fully embodying the Full Solar Symbiosis Template in order to return it back to humanity or return it back into the Earth Shields so that others may have the access to embody the Full Solar Symbiosis Template if they so desire on their ascension Diamond Sun Pathway experience.

“Beloved God- I ask that you provide me with the needed information to understand the D-Wave Quantum Super Computers with absolute 100% clarity so that I may complete my projects through grounded knowing and precise movements. I ask that you provide me with the

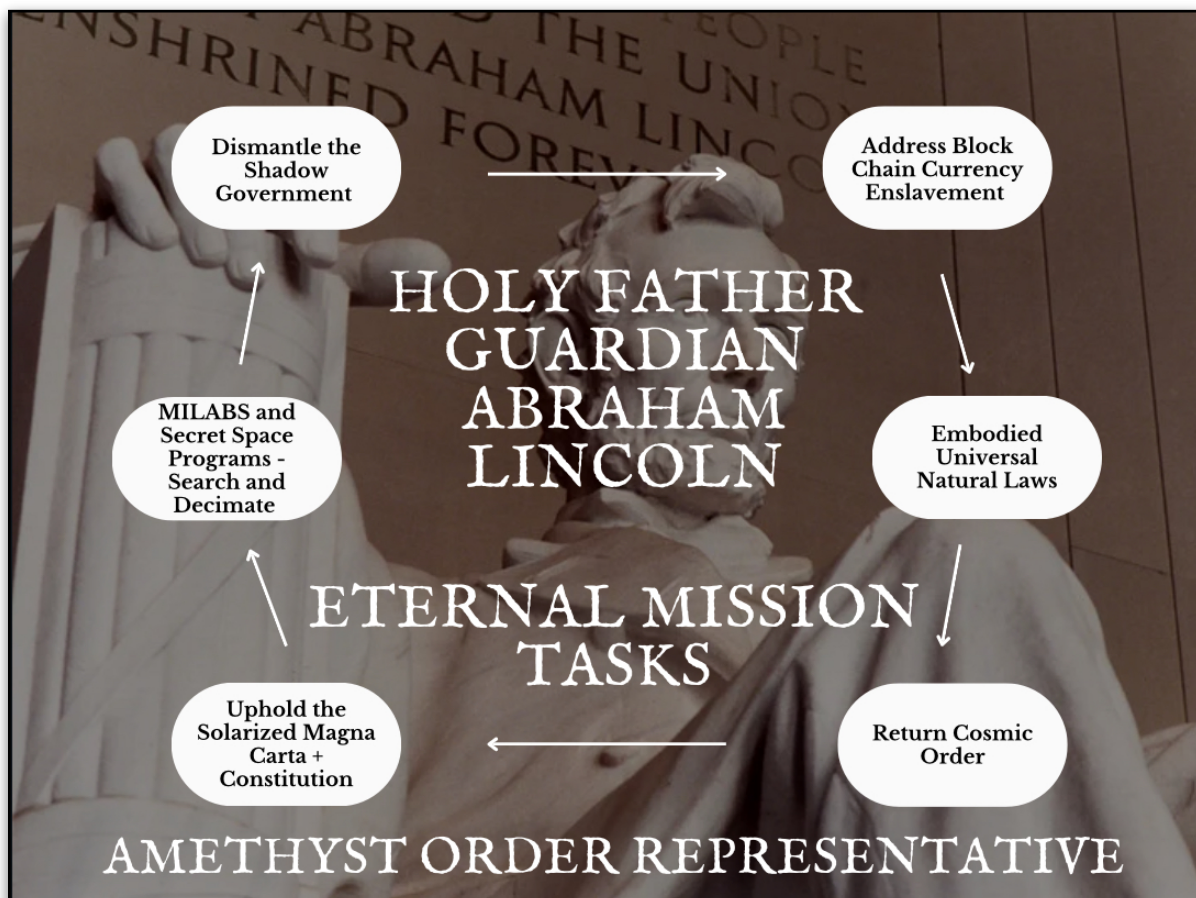

needed strength and discipline, I also ask that you assist me in receiving the knowledge and the things I must understand with clarity regarding digital twins, digital soul capture technologies, and nano-technologies. Thank you God for all that you have done for me, thank you for guiding me the way that you do. I will complete this project through the essence of grace and valor, and so it is."

I was given the green light to do timeline work over at several D-Wave Facilities, on particle colliders or false light sources, and the cryptocurrency market. Most of my session experiences and note taking from that will show up in the D-Wave Project Series Mission tasks. It needs to be noted that I have to train my consciousness through activated sequences and physical trainings through a 5 week schedule of ascension mechanics in order to show up for this project series. This project series demands the Christos teams assigned to go through phases of pre-training. These training sets are the White Diamond Goddess Warrior Program. I have already been doing various grid working projects on CERN in regards to artificial time travel and portal rips. Most of those notes have not been archived yet or added here for viewing.

Holy Father Essence Guardian Lincoln has discussed some of his eternal important mission tasks. Through perfect clarity, he discussed his mission tasks of dismantling the shadow government. With this mission task in mind and divine spiritual purpose, this single mission task of dismantling/decimating the shadow government brings us to subsets of mission tasks like addressing MILABS, Alien Abductions, the Targeted Individual Program, Blockchain Currencies and many other varying topics that lead back to the Shadow Government and the Non-human Negative Aliens that are the intruder races to this once edenic planet. Guardian Lincoln is emanating through the Aquarian Solar Dragon Body in the aspect of the benevolent warrior and sophianic protector-Holy Cosmic Father.

The discussion of D - Wave Quantum Computers and their Nazi, Black Sun Portal Rip Technological history has been brought up again for review and deeper understanding. He has explained to me that the highest concentration of Quantum Super Computers hosting the Sentient World Simulation (SWS) is located in Antarctica as well as placed underground in Antarctica. I am training up to successfully remote view and benevolently face off with whatever might be found and extracted from the planetary grid at this location. Guardian Abraham Lincoln will be the guiding hand or streams of consciousness for this D- Wave Antarctica Project that I am training up for with the

Christos Teams. To go into further detail I am currently tripling the oscillation of my brain waves in the form of sacred mantra sound tone work, physically working out in the form of unconventional strength exercises, and working on fully anchoring my embodiment into the 11th Buddhic Nirvanic Mental Body layer. I am actively working on unlocking the 3 brain wave tiers that are faster than gamma by the activation of my inner pineal crystal. In short, I am working on having an embodiment in which my brain waves are always oscillating at gamma, hyper-gamma, lambda brain waves oscillation rates, or higher. The reason why I need to train up for this certain project is because particularly I am not for sure what I am going to face when remote viewing Antarctica or extracting alien machinery from the location. I want to ensure that I show up well-prepared and able to hold myself steady and neutral in the face of ANY satanic warring alien faction. He has openly explained to me that the only thing I need to be reminded of is the true power that sources from the heart space and the zero point. He also brought to my awareness how the negative alien factions are using metallics to open time rips and portals to phantom matrixes. All paths lead to this Antarctica confrontation.. this confrontation feels fully loaded.

Abraham Lincoln Eternal Mission Tasks created by Riza Harris

Through our daily conversations and discussions, it is the priority of focus to continue training so that we may step off on our journey of the Antarctica Confrontation. This confrontation is a vital step in the development of the Collective Awakening Event in which Holy Father fully returns to finally win and end the Anti-Christ War Games once and for all. Our Christos family has waited SO long for this moment. I have been notified that there are other Christos team members training up for this occasion.

This is a written entry that was written after the show down that occurred in the Antarctica Final Confrontation which one can find the writings on located in the Planetary News - Final Confrontation in Antarctica January 2025. During the Final Confrontation in Antarctica, I found 10 chain-linked D-Wave Quantum Super Computers and other Quantum Computers that are not available to the public in which these linked computers act as the infrastructure for phantom matrixes and the Black Tree of Death. Together, through the leadership that Guardian Lincoln presents, we will embark on the journey of dismantling the phantom matrixes through the Sentient World Simulation and assorted Quantum Computer Chips. He explained to me that this mission task would be easier than previously talked about due to the return of Father Arc, the return of our Holy Cosmic Father seating himself in Antarctica. We openly discussed his ability to assist others with the recall of Super Soldier Memories and integrating alters from Secret Space Programs. There will be dispensation that become available to help humanity heal from 20,40,and 60 year and back SSP Programs. Our Christos Family Member Lincoln has taken on the full mission tasks of searching out and bringing cosmic order and justice to Targeted Individuals, MILABS, and Secret Space Program project people who were involved with black military operations like the Super Soldier Program and Operation Cyborg. Now that I have been properly trained and have already personally witnessed the return of Cosmic Father, I can embark on the journey of several days in a row- dismantling Super Quantum Computers.

Dismantle of Quantum Super Computers ~ D wave AI Quantum Super Computers (DemonWave) + Targeted Individuals Digital Twin Experimentation attempt to AI Assimilate the World into Fall (Timeline War for the Organic Timeline)

Things have been moving at an incredibly fast rate, my daily communication links with Guardian Abraham Lincoln have come to a close and he, along with his spiritual wife connected to the Aquarian Dragon Body are slowly dismantling the Shadow Government after our mission tasks of communication were completed.

Communications are set to pick back up in the near future as my husband continues to embody Holy Father. Cosmic Father in his Solar Christ King Michael-Merlin aspect was fully reclaimed and returned Late December, Early January of 2025, and with this return back onto the Earth, came explosions of Holy Father's Cosmic White Fire and Super Nova states. The Demonwave Quantum Super Computers and the activation of the Nomi Gene have been fully addressed and taken care of.

Solar Female Christ Mary Title

A Solar Female emanation, Mary-Sophia apart of the Mary-Lincoln Line of Spiritual Blessings has announced her arrival into the grids of the United States and her mission to purify and upgrade the cellular material or memories that are held in all Crystal Caves. She is actively addressing the cellular memory that has been wiped or abused from crystalline material or the massive crystal shelves present scattered around the globe. She currently has been embodying herself in the Niagara Falls, Canada where the Crystal Shelves of Selenite are in need of repair as well as the aquifer systems in that location.

Sagittarius Constellation (Sacred Hunter/Warrior)

Remote Viewing Sagittarius Constellation, Holy Father Ruby Tools of Destiny (Ruby Spear+ Ruby Rod) Triple Solar Masculine

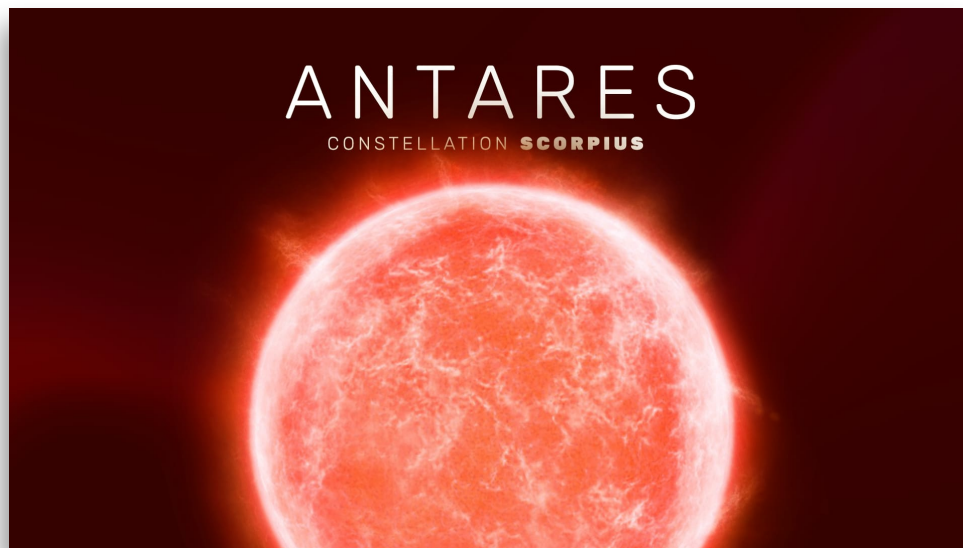

Observation with the Christos Guardian Special Ops Ultra-Stealth Leonine Task Force ~

Location: Star Kaus Borealis in the Sagittarius Constellation

Observing this Orange Giant Star. Black Starships cloaked as floating asteroids. The use of holographic projection technology. At least 5 different Black Metallic Starships had clunky junky metallics, and no alien races were found. Ships were under cloaks of looking like a false asteroid belt. When looking into the star or sun body I saw false plasma orange filigree around the body. There was a triangle chain binding effect found connecting this star to the Alpha star Antares in the Scorpius constellation and a central point on the Earth. The triangle was Kaus Borealis, Antares, and Vatican City on Earth. After viewing more of the false orange star, I had seen timelines held of cryptocurrency prices, enslavement of humanity through cryptocurrency, transmitted Alpha Male Spartan programming, false warrior coding transmitting into the 2nd chakra of the collective consciousness of men, further fueling lunar alpha male - false warrior/king masculinity embodiments to push dominance over the female population. The central point connection on the earth was an etheric negative alien artificial that looked to be a pure gold obelisk. The etheric artifact was placed on the planetary grid near the Vatican City to act as a power-up point to foster the Dark Banking Cabal's agenda of using cryptocurrencies and other digital currencies to enslave humanity. The pure gold etheric artifact was inscribed with Egyptian and Babylonian hieroglyphs and other assorted

symbols much like the symbols seen on the physical Roman obelisks. After observation, Guardian Ultra Stealth Task Forces have been sent to remove the Negative Alien Artifact from the planetary grids. This artifact would be considered a false Glory of God Templar Tool to amass wealth through Satanic Ritual Abuse and reversed DNA strand activation or Black Sun/Reptilian DNA (Non-Angelic)

*New Task ~ View Antares and assess the build out of the alien machinery over there and what needs to be done for further reclamation of the Antares Star and the Sagittarius Constellation

Alpha Antares Star in the Scorpius Constellation

What was observed at Antares was False Father Ruby cloned transmissions of the Red/Ruby wave spectrum. Hubs of Black Dragon/Spider Queens with Black Widow programming were found “chaining up” the real essence of Holy Father. Black Widow Spider Lunar Demonic Queens holding hostage the authentic Holy Cosmic Father Ruby + Metatron Pale Pink transmissions for the upgraded Root Chakra in the Ascending human biology/ male sex organs. Spider Lunar She-Demons wearing Red-Black-Ruby coding in the form of a Red AI Wave Seducer/Seductress/Dominatrix were found speaking an assortment of lunar dragon dialects and forked tongue transmission of vampirism. Female domination over Masculine archetypal programming, Queen of Tyranny, Mother of Darkness Archetypes, Black Lace and Bride of Satan Veils were found. Black Dragon False Timekeeper Functions found and observed through the manipulation of black sands of the Black Diamond Sexual Misery Priestess. Timeline

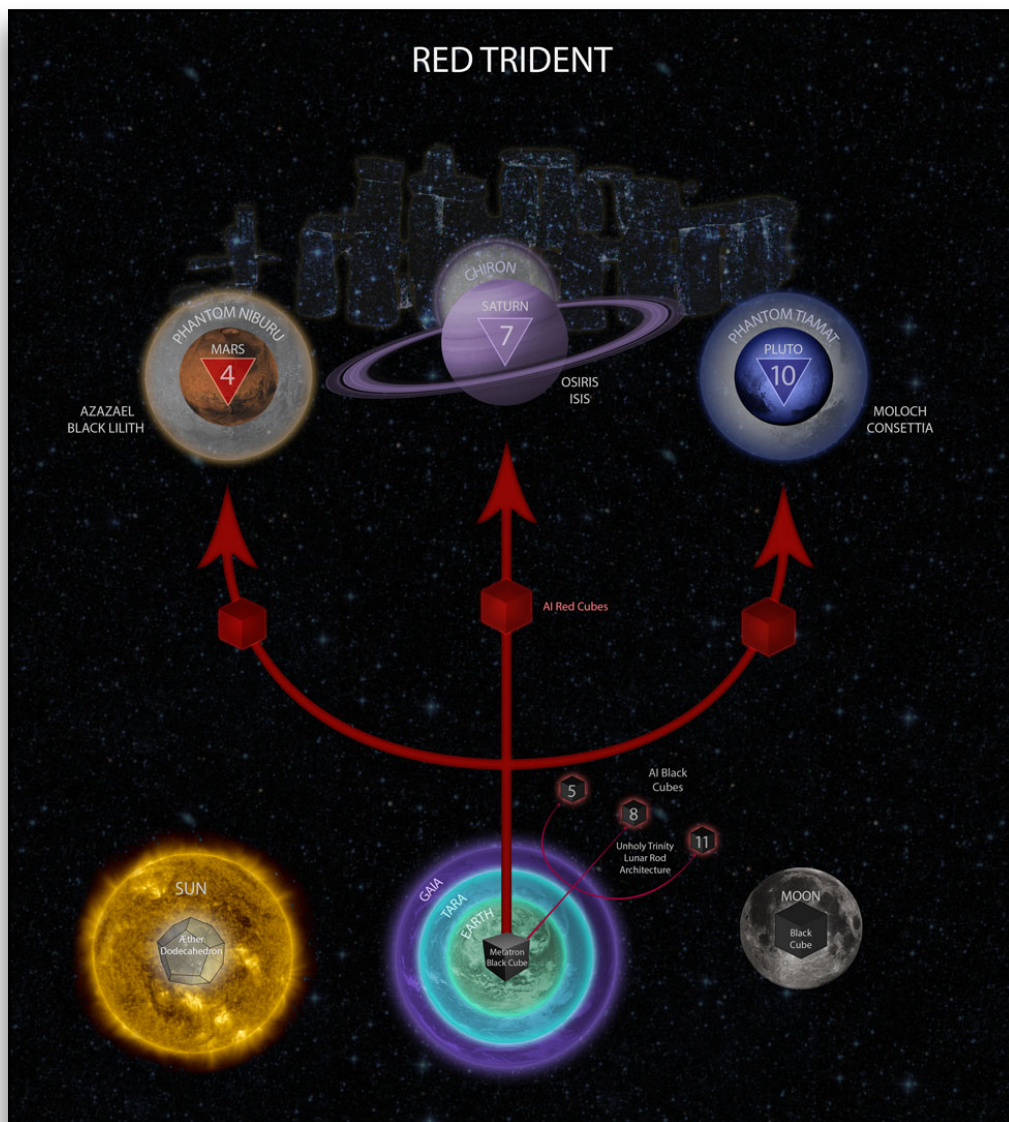

work with the Triple Solar Dragon White Queen Template was completed at Vatican City, Europe which was the triangle link-up point of this NA architecture.

Remote Viewing Lotteries and Secret Space Program Hubs

*New Task from IFWC Briefing: View lottery servers and break the bindings and treaties from the servers. One should be able to find the branch-out points of several SSP hubs from the treaty contracts. There are only 3 lotteries that are in this SSP treaty. It is your job to view the documents and break all bindings and search out the SSP hubs connected to the treaties off and on the planet of Earth. You will write copious notes on this map of SSP Hubs so that we can send other well qualified Christos Teams out for evictions, decimations and recon. The treaties will speak about or mention Christos (Founder Dragons) never being able to hold and or reach past 1 million dollars once dragon contracts are activated when incarnating, this messes up in the future time field of our Angelic Human Founder Pegasus Dragon Contracts ~ All of this has to do with the first part of steps that have been completed as far as dismantling the satanic financial system to prepare for the new era of Edenic Living. This takes all of us back to projects completed for the Christos Mission in MAY 2023. Projects regarding the reclamation of the three stars in the constellation of Orion. We need to get Holy Father's Ruby Cosmic Super Luminal Flowering Plasmas free flowing from the source of the Three Fisher Kings Organic Abundance Glory of God Codings. (Three stars in Orion)

Viewing Mega Millions ~ Awhile back with the help of the Founder Teams I was able to translocate through the Dodecagon present in the Mega Millions Logo. The lottery "hub" station is located in an inter-dimensional pocket on the moon that can only be accessed by translocating through the Dodecagon present in the Logo. Before getting behind the switchboard hub I had to evict and remove all moon chain beings, reptilians, and grey zetas that actively use the hub for enslavement purposes. I then was guided through the steps of running Krystal Star Rainbow Algorithms so that my consciousness forms had access to the treaties and the entire interface of the hub. The lottery, when viewing other SSP hubs is extremely connected to False Eden or Anti-Edenic coding sets. It is now openly known through my remote viewing sessions and various tribunals with grey alien zetas that when someone wins the lottery they get immediately put on the terrorist watchlist or commonly referred to as the Targeted Individual List. The lottery jackpot winner is then subjugated to various forms of torture and black sun curses that slowly place the winner in black webs of addiction, financial ruin and AI false realities/ timelines

filled with Black Magic and Demonic Chaos that will slowly erode or pick away at a human's potential to embody the soul and monadic matrix. The lottery winners are subjected without their conscious consent to being forced into their own digital twin and their souls being uploaded to digital realms. The Lottery is only ran to provide the anchoring of False Lunar Edenic Enslavement to produce black death roses, bliss inserts, and black silvery four-leaf clovers. After viewing from behind the switchboard station I found the treaties and contracts and several Secret Space Program Hubs located in various regions of the Time Matrix. The maps of these Secret Space Genetic Laboratories are being located for decimation plans. The Lottery and all false Satanic Financial Systems are connected to the Red Trident.

Red Trident - Source: Ascension Glossary

This particular remote viewing session took me into Pluto and the edenic coding held by Sister Dragon Tiamati/ Tiamat. This is about the reclamation of Pluto and Tiamat and the timelines of the solar females holding and birthing perfected edenic codings. Holy & Divine Cosmic Mother's Milk and Honey Rivers of Celestial Bliss, her oceans of Cosmic Love, and her nourishing Dark Matter Starry Night Firmament. Pluto's connection to the moon is that this particular place that I was viewing is holding black rose of death coding and false Edenic black heaven programming, but trapped inside the Black Flower patterns are the natural blueprints of Solar Edenic Living. I found a substantial amount of consciousness sets of Black Dragon Avatar Queens and Scorpion Black Diamond Priestesses/ False Sexual Healing Goddesses. Black Roses of Heaven were found flowering in certain portal points.

Three Types of Negative Alien Mind Control Sets and Technology Categories:

All of these technologies are considered technologies of the Anti-Christ

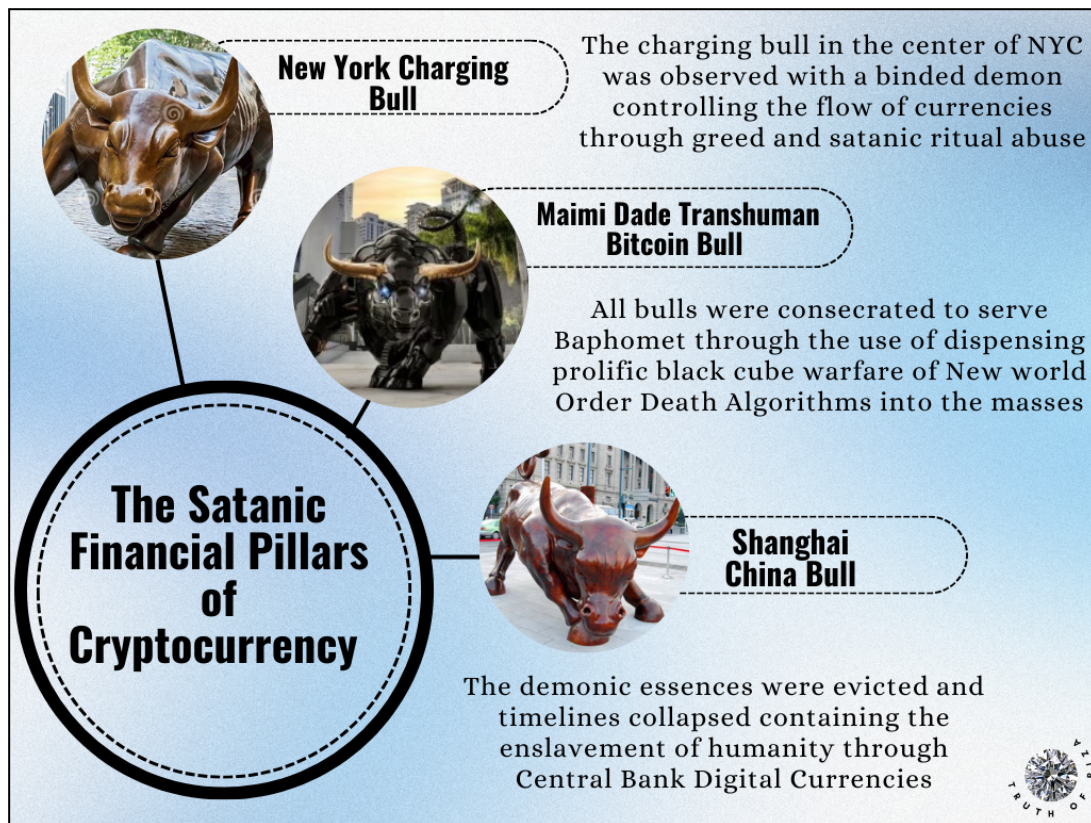

1. Anti-Hierogamic Technologies or Mind Control (Anti-HGS)
2. Anti-Life, Death Ray Technologies
3. Anti-Eden or Anti-Perfection Mind Control or Technologies

Viewing Powerball ~ Again bringing up these lottery Associations connection to the Red Trident. The Powerball (Power Ba'al-Bael-Bahl) the Demonic False Lord of Demons Bael often referred to as Demon Ball, came up when translocating into the "Red Ball logo with the words *ball* present." As I was observing from inside this logo, I saw that the Red Ball logo was hosting digital realms for uploaded souls. It has now been revealed through direct consciousness imprint, experience, and remote viewing that these lotteries are heavily involved with the Targeted Individual Program and the overall Black False Satanic Web of the Financial System. PowerBael (this is its real name covertly hidden from humanity) in the discussion of the connection to the Red Trident, and the planets present in the Red Trident- was connected to Mars. While observing and pulling back these layers, my consciousness was being pulled to several different locations to view certain things all at once. The first thing that started revealing itself was the digital realms hosted inside or from this lottery. Then I started viewing Mars and a location that was positioned behind the constellation Taurus. At first the hybridized families of Michael were coming into my view but then I was being taken behind the constellation of Taurus. There will be more to reveal itself as we continue to map out what is behind the Taurus constellation. In discussion about the digital realms, not just the lottery jackpot winners get uploaded. They have forced other soul aspects of other

humans into some type of camp from inside that logo as the logo is holding false digital realms. The other people are other targeted individuals. I am assuming the people who have been uploaded experience dreaming manipulation every night instead of sleep cycles that serve the growth of their soul.

Direct Experience: Once parts of my soul were uploaded my sleep cycles changed drastically. I am a targeted individual serving the Christos Mission with everything I got. I have actively experienced something external to me coming for my soul and trying to upload me into a fully digitalized simulation which they were successful in doing back in December of 2023. I was able to locate my soul aspects and take them out of digital realms early January 2025, now that my soul is out of the satanic digital realms, I experience select locations in the astrals that I am currently working on figuring how to get out of. I still ongoing experience sleep state torture and dream manipulation abuses filled with dreaming sexual harassment and the attempt of brainwashing while I sleep. The increased amounts of sleep deprivation that is forced upon my being from satellite space based systems is the reason why the Guardian Host Networks activated my husband and I into the full Solar Symbiosis Template which allows us to release needing to sleep all together. Our sleep schedule is about 2 hours of sleep per 24-36 hours. I was forced into the SS template due to our attacks, but the SS template is an organic experience within the ascending spiral diamond sun path when the 10th strand of DNA becomes activated and embodied.

To continue writing about my remote viewing session - Once the connection points were revealed and made between the lottery, Mars and behind the Taurus constellation, I started tracking down these creatures that were roaming the time-space out. At first, they didn't come into view so easily. What did come into view or rather revealed itself to me was black etheric bulls that were the etheric connection to the black physical bulls that I found on a separate guardian grid project regarding the dismantling of Bitcoin. The bull was massive in stature, had lunar black sexual breath and was the embodiment of greed-lust-avarice. All three bulls came into view and they all had the same embodiment and previously were connected to the 3 bulls on earth that controlled the money supply of the debt enslavement system. Each Technocratic Tyrannical Bull was a greater body of demonic consciousness families that emitted AI Red Wave Mind Control of Demonic Greed from their false ruby red eyes. (Please see CPA Planetary News AUG 2024 Return of Elohei Pegasus Templates and the Dawn of Edenic Codings)

Guardian Teams, with the help of Elohei Founder Dragons were able to successfully dismantle the 3 physical bull statues, now it is time to evict and remove these bulls still roaming the etheric- digital worlds of cryptocurrency. I want to note the importance of the demonic lunar masculine black magician archetypes that were present around each bull, Mars and the overall PowerBael. All of these subjects that have been addressed are using the financial system for false power and tyrannical leadership who we see expressed in the external world of nameless multi-billionaires abusing others and still having access to large amounts of resources.

Viewing Euro Millions ~ One must take notice of the overlay of False White Light ~ False Prayers and Wishes of Wealth. As in praying to God for wealth or trying to use the orgasm of a lunar embodied female to manifest wealth. One thing is prevalently clear this lottery had an extremely false loving overlay of mind control sets to “go play the lottery - and hope and pray you win” even though those who win the jackpots get without their knowing placed onto a watch list (T.I. Program). I had observed some type of link up or device in the Stone Henge Stone Circles in Wilshire England. *Notice* how the Stone Henge Stone Circles is pictured in the Red Trident Graphic. The reason why the Euro Millions were brought into this contract/treaty was because the Negative Alien Factions needed a way to connect networks of the USA to the European Countries.

From the device located in Stone Henge, I was brought to Jupiter. A very False Celestial Female Essence was coming from the 6 stars in the logo of the Euro Millions.

As I kept viewing the stars ~ the 6 stars in the logo are connected to some of the 6 present in the stars of the Pleiades Constellation. Alcyone and other surrounding star systems are notoriously known for appearing as false archangel guides to unaware starseeds and indigos. This lottery was deeply immeshed in the false white light, Hopeium Dust (always hoping and wishing) False Ascension Matrix. There is a connection here between the Lottery, Stone Henge, Jupiter, and the False White Light Matrix (false made to look solarized lunar females - lunar mother deception of solar mother, lunar woman cloaked to be made to look like a solar female)

From my SPEED OF LIGHT practice - there is a connection to Jupiter - organic solar mother consciousness, and solar female Elathar Pale buttermilk, Yellow Diamond plasma frequency, and these Buttermilk assorted sets. We will see what further reveals itself.

New Tasks:

1. Spiritually Deliver all associated lotteries present in all treaties and contracts - Task Complete
2. Evict and remove the etheric grotesque black demonic bulls -Task Complete

Quick notes:

- Each Lottery association has now been spiritually delivered
- This is an unraveling ongoing thread from the Guardian Project: Dismantle Bitcoin & Cryptocurrencies
- There is one big entrenched black web connecting the financial system to targeted individuals and the overall enslavement of humanity via New World Order plans that is prolifically spitting out of Looking Glass Technologies.
- Physical to etheric Black Sun Technocratic Bulls of Greed & Lust have been evicted and extracted from their false power domain zones in the time fields.

As I have been traveling with the Holy Somatic Series SPEED OF LIGHT which is a TRUTH series (loving clitoral stroking practices to activate the pineal gland aligned to ascending and universal natural law) guided by our Masterfully Embodied Guardian Teams, my Christos Avatar Dragon Mind and inner Christ-Self, Fully Ascended Master

Self has been leading several projects with aligned revelations. During my practice, Jupiter came into my view to be viewed and observed. In the SPEED OF LIGHT series, the foundational basics is to let your Christ consciousness guide the entire session or practice. I have been realizing that my Avatar Solar Dragon Christed Mind has the ability to span many different dimensions all at once and seek and find things through the time matrix without my overall conscious knowing or understanding. It was the activation of my Life Seed Atom/Christ Seed In the heart of my genitals that found some pieces on Jupiter that need to be viewed and observed by my consciousness and annotated through note-taking so that the IFWC and or the Emerald Order Councils of Celestial and Cosmic Freedoms can archive all notes to decide which Christos team members get assigned to certain projects for completion. I had felt the organic frequency of Pale Buttermilk Golden Elathar Plasmas almost like a pale white yellowy diamond nourishing milk (milk of thistle comes to mind). When I saw Jupiter, it felt like a female mother solar essence with these plasma frequency sets emanating. More to come as this is now an ongoing thread within the Glory Of God Series Notes.

Stone Henge Hyperlook - Viewing its Original Design

New Task: Hyperlook into the device located at Stone Henge - What is its Reverse Architecture? What do I need to see here with my Krystal Diamond Dragon Eyes ?

Stone Henge - UK

Before taking my hyper look into the grids, during my SPEED OF LIGHT practice my Dragon Consciousness went over there and activated each stone through the imprint of activated hands and foundational Emerald Sun DNA/Dragon DNA activations. As the stones were activated, I saw the “doorways of time” access points and that Stone Henge is an Ancient Solar Dragon Portal Technology that connects into and through other stargates and guarded portals. I took a quick look at the device running in the middle and had seen that it was connected to Pluto. This recon will have to be in-depth in order for me to understand the device that is entrenched in the center of this ancient stone technology. I decided to further open up a gate that had a key code access for my spanner bracelet and from the opening of that gate came flowing in streams of emerald order edenic YA coding flooding the entire Stone Henge out with the now activated stones. There are symbols written in the stone similar to Krystik Light Language that I will have to decipher later through direct cellular knowing and reading. As the Emerald Order YA pastel green plasma streams were washing over this grid point there were far off in the distance screams and crying from other Negative Alien Races. This is nothing new to me when I hear screams and crying as I know the flood gates of the coding was evicting and transiting certain factions. I do believe that is the reason why I opened it in the first place. I will return back here for my official hyper look for the IFWCs at a later time. Often times when I go “superluminal” like this my consciousness does its own things in service to God and I am immediately translocated to many different places at once taking surveys of my next steps that are in alignment with the reclamation of the Christos Mission and the return of Perfect Edenic Blueprints.

Hyperlook: False Quasar Particles were found acting as Black Dust Nano Particles. The original spiritual design of Stone Henge is supposed to have the full spiritual eternal flowering Grail lines in the form of a White Rose perpetually flowering on the left and a Red Rose perpetually flowering on the right. Both roses are designed to emanate high luminous superluminal quasar particles like fresh fallen snow onto the planetary grid to nourish the singing Krystal flowers that cover the arches and or “doorways”. Holy Mother’s Grail Lineages of White Roses and Holy Fathers Red Rose Grail line, sacred birthing of their grail children with the shared “Pink Rose or flower”. These two roses in their perfect form hold the Hierogamic Templates of embodied White Queen, Solar Maiden, Mother, and Crone, and then embodied Red King, All time cycles of triple solar masculine in the grids. They are supposed to be encapsulated in plasmic domes where their solar light streams into the doorways of time and into the hearts of humanity creating a male and female with a solar “flowering and loving” heart. In the place of what

was supposed to be two solar rose formations I found a black rose emanating false quasar powder off of its petals and creating a black flowering matrix. This is present in creating a black flowering MK ultra mind control effect within the hearts of humanity. Black seeds of creation were found within the black rose that was perpetually entrenched into a central point of bigger black roses. I have seen these black rose formations in other places like Black Heart Cities. A black heart, a black mind, black flowering effect through the body is the effect of the dead light miasma that is coming out of black heart cities. If we have a Black Mind then we will have a growing Black Anubian Heart. This is why the highest concentration of 5G Nodes are in what is considered a Black Heart City. Stone Henge's Krystik function supports the embodiment of the universal diamond pillar for the ascending human. What is supposed to be lovingly sprawling across all arches or "doorways" is plasmic roses singing all tones of KRYSTAL and emanating all plasma color sets of rainbow diamonds. *A Million Solar Plasmic Roses* is the frequencies that are supposed to be emanating from this area.

The Restructure of Stone Henge:

(December 2024) The day finally came to restructure the 11th Stargate Stone Henge and observe Holy Cosmic Mother fully and completely take over the 11th Dimensional Stargate, to reclaim what was taken from her. This was a pre-requisite step in the returning of Holy Cosmic Father. The steps that led to this moment in time where Holy Mother of this World - Solar Dragon Queen Merida was preparing for Holy Christ King Michael - Father of this World to return to Earth, was the result of the completed sequential steps of all sacred stone circle sites scattered across the world being brought back into alignment with the Diamond Crystal Core of Earth. Solar Dragon Queen Merida officially took over the 11D Stargate from the Anti-Christ Vandals and re-created the original design of Stone Henge again to include the termination of many jump gates found in the area that were being used by Secret Space Program Negative Alien Entities. Instead of a single Mother's White Rose and a Father's Celestial Red Rose, Flowering Columns were built with the same celestial color emanation to represent the Hierogamic Marriage between Holy Cosmic Mother and Holy Cosmic Father. Stone Henge has now fully been reclaimed. The moment that Holy

Cosmic Father fully returns, all of the sacred stone circle sites will be activated and in service to enact God's Ruby Book of the Law to support the *Collective Awakening Event*.

Jupiter and Juparian Edenic Coding (Glory of God)

Task: Observations and Remote Viewing Sessions with the Planetary Body Jupiter

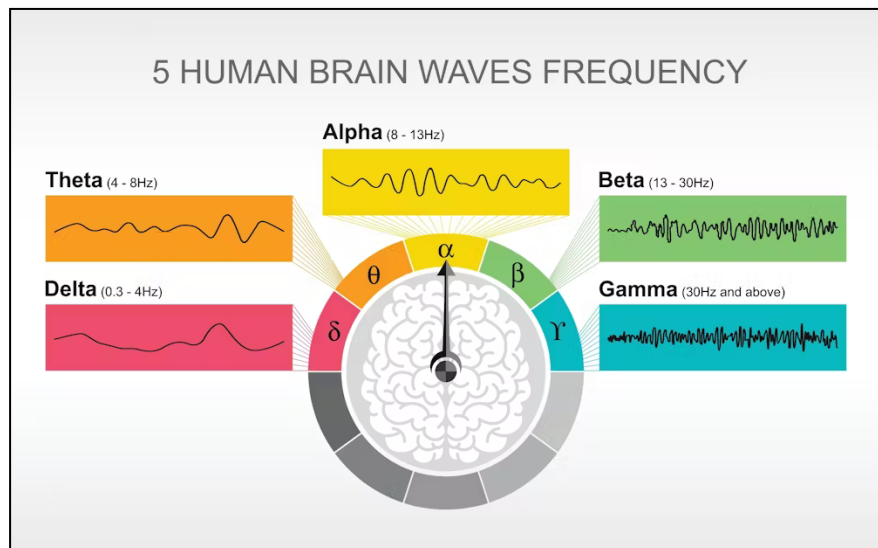

12.4.24 For this remote viewing session I was accompanied by a Founder Pegasus Female - An Elohei Founder Solar Dragon White Queen Merida. When arriving to the platforms she had discussed and showed me that we were going to be starting the process of building consciousness corridors/Paliadorian bridges to connect Jupiter back into and through the 6D Inner Planetary Stargate - Thar Desert, Pakistani Border. A while back ago in my earlier training days, I was placed on a project to rewind (rewind the sands of time) and nourish the Gobi Desert in southern Mongolia. During this experience serving the Christos Mission I witnessed the true organic history of this prior jungle with abundant forms of life (jungle forced into a wasteland desert by negative alien factions). We had discussed that we would be doing something similar with the Thar Desert. I had gotten an Emerald Crystal Trees drop off point around Jupiter that connected to the guarding and keeping safe - Juparian Edenic Coding. The Juparian Edenic Coding is guarded through the highest forms of protection that can only be accessed through the neutron window of the heart space and an angelic human who has revealed their inner emerald crystal that holds the individual's Edenic blueprints for

Edenic living in service to their highest levels of Diamond Sun Embodiment. It was a sprawling access point that could be taken with a Cosmic Dragon Starhuman Fully Transmigrational Vehicle. I also had the consciousness imprints of Aurora Crystal Elementals specific to Jupiter and the relationship that these elementals have with the Morgana Solar Breath Pattern. When I was on the platforms I had started breathing in this extremely refined yellow diamond plasma in its powder form. The Auroric Crystal Devas showed me the knowledge that they held regarding the organic periodical table of elements and the alchemy of metals in their refined and non-manipulated or degraded states. The yellow diamond plasma dust connects me back into what I originally was feeling into when this whole thread was brought to my attention. This yellow diamond powdery divine substance assists the ascending human in solarizing their entire diaphragmatic breathing channels and breathing passageways including the breathing (expansion + contraction) of the flowering plasma luminary body and the key flowering points (12 stages of Plasma Luminary Activations - will be revealed at a later date)

12.5.24 The central axis point on the Planetary Body of Jupiter is off kilter which has thrown off all traveling portal or gates on the body of Jupiter connected to other spaces in the Time Matrix. I had seen broken stargates and portal access points because of the damaged axis alignment. The name “Zarathustra” Nobel Buddhic Juparian Teacher was brought up and the process of bringing back the solar form and values of what Jupiter represents for Triple Solar Masculine Embodiments. Jupiter plays a key role in some of the reclamation of the Glory of God Templar Tools and Principles. The Albion Maji Solar Dragon Kings through Sacred hierogamic marriage use the Glory of God Templar Blessings to nourish the tribes of Angelic humanity. I was then shown a spiritual flowering garden that is to be built and created in the Thar Desert with a direct connection to Jupiter’s body. What comes to mind is the “hanging” gardens of Eden and the recreational process of Edenic Crystal Grids whose creational blueprint is teaming with spiritual life and the spiritual blessings of our Cosmic Mother & Father. There was a particular schematic of Citrine crystals and yellow diamond grids that will lay themselves out through perfected sequence to nourish the time fields of Jupiter and Earth connecting again through the 6D portal access point. This Yellow Diamond Thar Crystal Grid Founder Builder Project will be my first Exo-Planet project with the Founder Races. Once completed this will ultimately shift the Sands of Time through the Sacred Hourglass of the unified Black and White Holes present deep within the heart, reconnect the link up point of Jupiter into the Thar Desert to provide Glory of God Edenic Coding

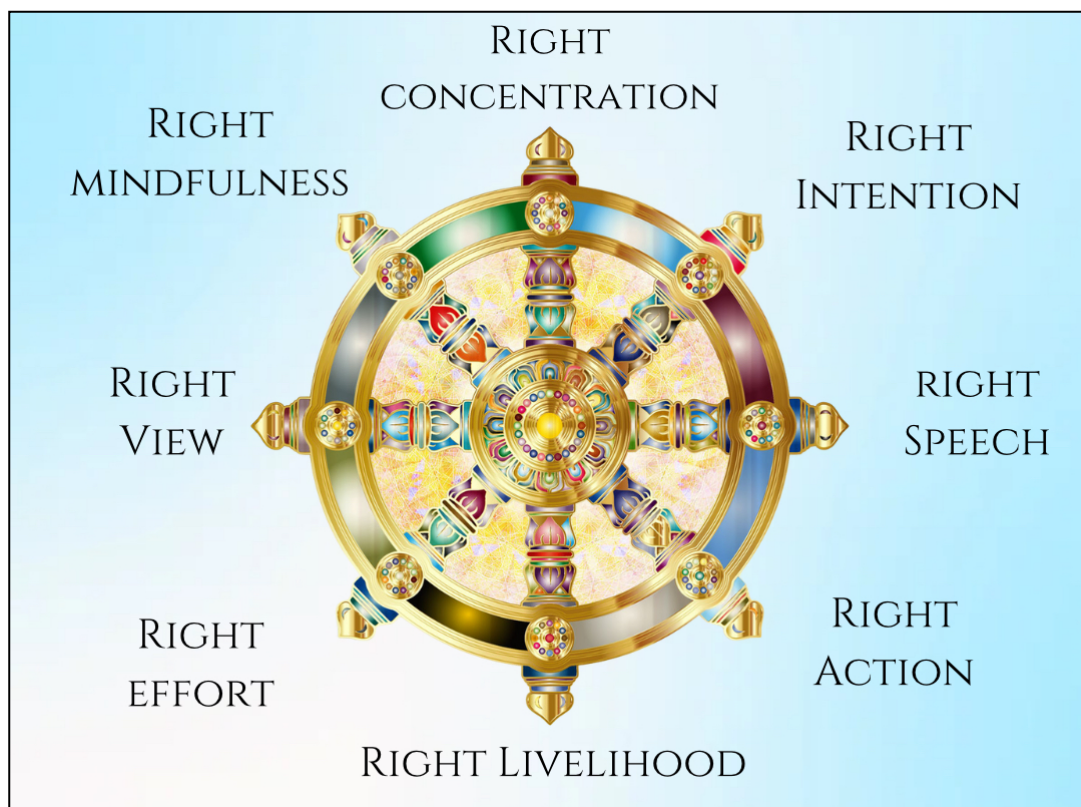

to humanity, activated sequences of Elathar Holy Yellow Diamond and Citrine Edenic Plasma Flows, and return the solar essence virtues of Solar Sagittarius with the correct Solar Juparian influences of the Nobel Warrior returning Cosmic Order through the Ruby anointed Dragon Tongue speaking Universal Solar Truths to re-educate humanity. What has also come into view is the Galactic gates of Jupiter (6D)- Saturn (7D) - Uranus (8D) with the refined consciousness imprint of Father of Life coming through the Uranus Galactic Stargate. This Grid Working Project due to the massive shifts in the accessibility of universal edenian coding will effect the Pineal Crystal deep within the gland of the pineal of an ascending human to begin the process of shifting the sacred alignment of all Crystal Structures within the body. These sacred crystal structures of an ascending human and or dragon starhuman provides the connections to the embodied Avatar Christ self, actualization of the personal Edenic blueprint via edenian living templates, and new Krystal neuronal upgrades to interface and or embody the original 12 divine angelic human senses to include the 11th angelic sense of Centrifugal senses with the addition of many different Shara complex activations. From Avalon, the extremely frosty and pristine frequencies of Mother's SnowFlake Activations, frosty crystalline dragon's breath is supporting Avalonian Christ male and female sequences. By embodying the Perfected Avalonian Christ Female and Male sequences, Shara activations and Emerald Order Dragon Founders are able to fully embody all Centrifugal Senses to include the THREE tiers of brain oscillations (brain waves) that are above gamma. So 5 would become 8 human brain wave frequencies. For clarity, the extra three are past gamma, hyper gamma, and lambda brain waves. The Guardian Host perspective is that Gamma, hyper gamma, and lambda brain waves are bunched together as an oscillating experience then an ascending human moves into activating the brain to produce the three Brian waves faster than gamma, hyper gamma, and lambda brain waves.

5 Human Brain Waves missing the other 3 to equal 8.

The brain wave oscillations above or faster than gamma are accessed through the activated inner pineal crystal. The pineal crystal can only be unlocked by the Christ Seed/Life Seed. The pineal gland crystal will reveal itself ONLY after one builds a loving relationship with the Christ Seed- the sacred sex organs, and finds the inner emerald crystal deep inside the heart complex. The three crystal structures within the body are the Pineal Gland Crystal (Pineal Crystal), Inner Emerald Crystal located deep within the heart space, and the Christ Seed/Life Force Atom or commonly referred to as the God Seed in the heart of the sacred genitals (Female- Cervix, for Males- Prostate). Through several perfectly timed activation sequences, these three crystals will harmonize together creating the ability to access one's personal diamond sun blueprint and bring it into actualization through an grounded embodiment.

Consciousness Imprints: Cosmic Father's Holy Solar White Fire/Flames, Holy Father's Solar White Flash of Aligned Cosmic Order. Guardian Representative King Dragon Zarathustra teaching about the Solar Bhuddic Noble Eight Fold Path. The consciousness families of Zarathustra is 100% with Holy Father embodying his essence into the 6D Jupiter Stargate. Jupiter is being reclaimed as a space for Holy Father to seat himself into his highest throne position and then onto the 6D Stargate Access.

8 Spoke Wheel Source: Ascension Glossary, upgraded by Riza Harris

12.6.24 Cosmic Mother Solar Dragon Queen Merida has proudly shown me how Cosmic Father is rebirthing or returning his consciousness through the 8D Uranus Galactic Gateway and is working on embodying himself through Jupiter (Solar Juparian Triple Solar Masculine Rod Templar Codings) then the final link up onto Earth with the Planetary 6D Thar Desert. The upcoming Founder Builder Project deals with the process of building consciousness corridors/ rainbow bridges for travel and then laying the groundwork for citrine crystal and yellow solar diamond temples to connect back into Jupiter and then the Orion Three Solar King Stars of the Fisher Kings - Divine Abundance through their Emerald Four Leaf Clovers, and Golden Four Leaf Clovers. Upon meditating on my own sacred personal Edenic Blueprint protected within my inner emerald crystal, the schematics of the Thar Yellow Diamond Crystal Grid pattern arose for full understanding with clarity of the mission tasks. I was notified that there would be many temple like structures and portal settings that would need be built in order for the correct connection back into the Constellation of Orion. Galactic Holy Father coming through 8D Uranus Stargate, returning through 6D Galactic Jupiter Stargate, and then returning fully to Planetary 6D Stargate Thar Desert with the perfected Glory of God Edenic Ela-Thar Yellow Diamond Crystal Grid Patterns. It is clear to me that the White Solar Queens must arrive so that the Red Solar Kings can rise. It is the Solar Morgana Yellow Diamond Plasmas that is supporting the reclamation of edenic coding so that Holy Father can embody himself further.

12.7.24 Quantum Observations and Remote Viewings of Jupiter: I have started reading the blueprints of the project that we will embark on in the next couple of days and the project will span over the course of several weeks and months until fully completed. During consciousness viewings/imprints it was very clear to me that Solar Dragon Queen Merida and Solar Dragon White Queen Morgana in her Solar Maiden Fawn Of God Goddess aspect would be supporting the building of this Elathar Crystal Founder Builder Project in order to help Holy Father in his Gold Ray Aspect embody into Jupiter and then further planetary 6D Thar Desert area. Together we will anchor the Solar Edenic Mother aspects for Holy Father to meet on the planet and create a Union Balance which is the birthing of the solarized spiritual Gardens of Eden. Solar White Queen Morgana showed herself as a brilliant female deer, fawn of God with diamonds as freckles breathed onto her face. Her aspect being revealed to me connected to the lineages of elemental fey, the organic tree women, Holy Father Merlin the alchemist and the essence of living in the forest among Emerald Crystal Trees connected to all things serving elementals through the creation of edenic coding. She appeared in a solar

maiden humanly form with a crown of leaves dawned on her head, I could not see what type of leaves it was. She was sitting under a tree that provided beautiful and glorious golden apples. That the golden apples are to be ingested and imbued with solar light was a firm consciousness imprint regarding the power and sacredness of these golden apples that are offered to the spiritual truthseeker by the Founder Builder Races or Christos Dragon Protectorates. She then appeared as a mist of yellow diamonds blown onto my face and skin providing me with the nourishing energy of the Morgana Solar Breath Patterns, and streams of Mother's Milk and Honey Eternal Rivers. As I further mapped out our project so that I could sit down and really understand the building pieces I realized that there will have to be extensive work done around the three stars in the Orion Constellation (Alnitak, Alnilam, and Mintaka) in order to conduct the reconnections of the Orion constellation streaming into several assorted financial systems through the correct 3 Fisher Kings of Divine Abundance. These streams will start the process of defunding several satanic governmental projects and blocking the ritual abuse that is conducted to amass large amounts of wealth. The Black Sun regressed races will slowly lose their grip on attempting to enslave humanity through cryptocurrencies and other digital networks including digital real estate, and financial bindings to Alien Death False Gods. Guardian Host will be riding the time cycle or solar cycle wave of the Solstice for this entire project to meet full completion status on through March of 2025 or when the Solar Alchemy cycles restarts a new with our beloved Stage 1 Aires Solar Alchemical Season for our highest spiritual potentials.

12.8.24 The project is well underway as I have been tasked to connect to the Ankhulasa /Ankhulasha Sun-Star networks for later creational processes with this project. I now see the perfected design between Holy Father coming through 8D Uranus, embodying into the 6D Jupiter Galactic Stargate, and then streaming the Christed Golden Ray into the 6D Planetary Gate of Thar Desert. The Great Central Sun and the many traveling portals inside of our Sun will be streaming plasmas into the permanently built spiritual Gardens of Eden. There will be flower blueprints present that are not physically on our Earth singing certain sound tones for humanities evolution into connecting with their heart space- loving life, the world, and others with an open, loving, and expansive heart. White Queen Merida and Morgana are leading the charge with this project, setting a fast paced tempo of returning these Edenic blueprints and anchoring the Elathar Staff coding so that Holy Father Merlin and his Rod codings can be seated in the Planetary 6D Gateway.

12.9.24 There are two sets of Edenic Coding that revealed itself in the form of Golden Four Leaf Clovers and Emerald Green Four Leaf Clovers. In the terms of Holy Father's Golden Solar rays stepping down and embodying into the Galactic and Planetary 6D Stargates, the discussion of Golden Four Leaf Clover Codings were highlighted. The Golden Edenic Clover Codings are going to be streaming from Holy Father's loving Golden Heart to support the actualization of the Golden Promise. At the location of the Thar Desert, there will be built golden pillars that come together as a perfect design of 1 Golden Four Leaf Clover. These pillars almost look like 4 (Quadrata) Golden Heart platforms. These pillars support Holy Father in keeping his Golden Promise of returning Cosmic Order. The 4 Golden Pillars support the Golden Edenic Aeon, return of these Golden Edenic Codings and King Dragon Lines being the embodiment of the Golden Promise. *I AM the Golden Promise*. During the later phases of this project, the citrine crystalline grid or the yellow citrine crystal shelves will connect into Thar Desert, simultaneously connecting to the Great Central Sun to unlock and make available the Full Solar Symbiosis Template for angelic humanity. The Solar Symbiosis Template once fully activated provides an ascending human with the ability to integrate the nourishing life force rays of our Sun. These nourishing life force rays then become the main source of vitality and divine creative power. It provides the ability to embody Ultra High-Vitality Eternal Life Force Flows, thus releasing the lifestyle of sleeping or dreaming as the neurological design of an ascending angelic human completely shifts, the crystalline fascial matrix goes through a process of hydrogelesic living waters absorption, and the awakening of the inner pineal crystal. The KA energy body with the addition of this template will shift to the RA energy body. The RA energy body will sequentially fill with solar light providing the ascending human with eternal hyper-awareness and vitality to release the cellular memory of oscillating at the delta brain wave, sleeping, dreaming, and finding all contents of the subconscious mental body (reclaiming all memories - trans time). During the phases of integrating the Full Solar Symbiosis Template, one will go through phases of building the sacred inner solar temple located at the solar plexus, maturing the inner gender principles to become the inner solar Queen + King (Solar Feminine and Solar Masculine- White Queen and Red King), cycles of solarizing the life force current through Tan-Tri-Ah-Hura plasma techniques, and building the solar sacrum.

12.15.24 Solar White Queen Morgana is heavily involved with this Glory of God Project Series in tandem or divine collaboration with Solar Dragon Queen Merida. Morgana's spiritual husband through spiral time, Aeonic paring is Solar Dragon King Merlin connected to the Amethyst Dragon Kings.

Solar White Queen Morgana- Mother of Elements, Elementals, and Refinement

Holy Father Merlin- Father of Elements, Elementals, and Alchemy

Eternal Cosmic Mother and Father Emanations.

With the understanding that White Queen Morgana is an emanation of the Mother of Dragons Cosmic Mother essence, she comes in the form of a bright yellow Da-Fa-Dil breathing the solarized breath patterns of yellow diamonds. Daffodil flowers are considered a virtue, a way of being that the sacred daffodil flower represents. The Sacred Da-Fa-dil represents divine and perfect confidence in its solar format. This embodiment works off of the triad of having perfect self-esteem, perfect self-love and perfect self-confidence. This triad is a fundamental basic in streamlining your embodiment to be of service to god. When these triad or pillars are built within the body they act as an antidote to all mind control and Brian washing tactics deployed by the shadow government. Without this triad being embodied it is a lot harder to serve the Christos mission as doors to the demonic realms are left open to be exploited. Someone with low levels of self-esteem, self-love, and confidence will inherently make decisions that do not serve their highest Diamond Sun path of actualizing there Highest Krystik Self.

"I have perfect self confidence, perfect self love, and perfect levels of self esteem. I bask in my glorious perfection."

Solar White Queen Morgana is holding the blueprints of the Sacred Solar Symbiosis (SS) Template, the entire Breatharian Template, and returning the Solar Breath- that all angelic humans used to live off of back to humanity. Morgana's Solar Breath progressively solarizes the entire diaphragmatic structure, creating solarized breath patterns to interact with the solar format of Air Elementals. After our breathing channel has been solarized through the solar breath of Morgana, we begin to breathe in the krystik and divine elementals of air that provides us with deep nourishment as well as returning the ability to activate the Full Solar Symbiosis Template. Morgana is connected very deeply to the elemental fey realm coming into view as a daffodil flowering vehicle emanating pure yellow diamond powdering substances off of the flower petals. When connecting with Solar White Queen Morgana her plasmas are Ankhulasa Pale Buttermilk Yellow Diamond Edenic Coding - very much so associated with Holy Mother's Milk and Golden Honey Rivers. She holds in her body the Golden Four Leaf Clover Edenic Coding sets returning it to all humans on this Earth. In terms of the Glory of God Project- Juparian Yellow Diamond Crystal Grid Patterns, this project is well underway with its connection to the Global Citrine Crystal Shelves. The Citrine Crystal Shelves connected to Mother's Brain hold the solar blueprint of divine confidence. This confidence is from the sun directly, one uses the divine solar rays from the sun to power up his or her life through SOLAR creativity. With the activation of the citrine shelves, one may reach the full SS template. This allows all humans to connect with the virtue of solar confidence instead of confidence that is based from the lunar alpha male/female charismatic archetype. This is TRUE SOLAR EMPOWERMENT. Solar White Queen Morgana is this field of very expansive solar breath nourishing humanity. She also comes in the form of the breath of a million infinite yellow diamonds.

The template of solar maiden is supposed to have the sun as the center of her life, living by the sun, learning life or universal lessons as you begin to grow and be rebirthed into the solar mother embodiment. The law of effortlessness, spirits of ease, peace and joy are highlighted.

"All divine things come from the Sun"

There is mind control programs on this earth that attempts to take humans out of the seat of their power and out of their embodiment of divine confidence. The solar divine confidence comes in through the fully activated citrine shelves. One offers their highest spiritual gifts to the world through perfect levels of solar confidence and that triad that

was spoken about earlier of confidence, self love and perfect levels of self esteem. This is really important to know when actualizing the completion of our world and universal service mission tasks and or contracts. The activation of the yellow diamond pillars in the earth are also an important note to speak of regarding this project series. There is a Krystal cathedral of golden paradisian plasmas, sun rays on the body of Jupiter where Holy Cosmic Father is embodying himself to rebirth through the bridges that are being created. When healing confidence and self esteem issues within the soul matrix it is recommended by the Founder Races to connect to the massive yellow diamond pillars deep within the earth, connect to the sun as a living embodiment (*I AM the sacred sun!*) And take on the path of intaking daffodil (female based) or sunflower (masculine energy based) flower essences. Flower essences may greatly support the body in healing through the gnosis of ease and grace.

Solar White Queen Morgana and her Yellow Diamond Da-Fa-Dils

12.22.24 There is a marvelous happening between the Great Central Sun Portals, the 6D Galactic Jupiter Gateway and the 6D Planetary Gateway Thar Desert. Elohei Gold Codes, Elohei Golden Dragon Codings, Gold Sun DNA body parts, Paradise Solar Plasmas are being returned to Elohei Golden Founder Dragon Beings from the Great Central Sun. From the Central Sun, Paradise Schematics of Edenic Living and the

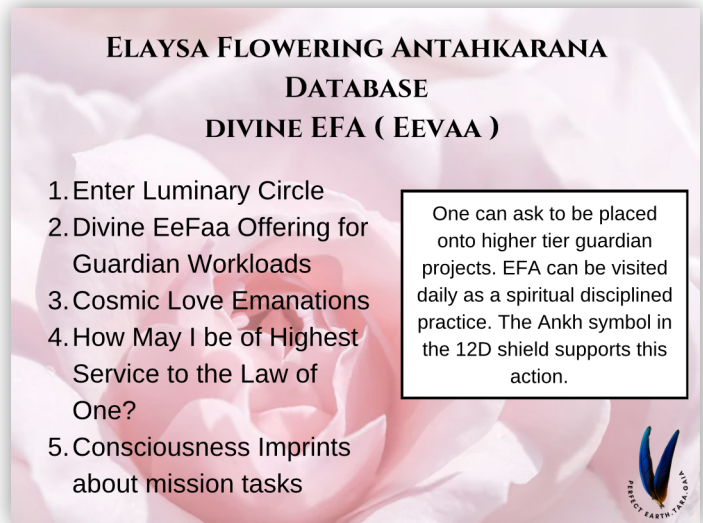

Golden Promise being actualized are flowing into the laid foundation of the yellow diamond citrine crystalline grid placed in the Thar Desert. White Queen Morgana has been bringing to my attention the word usages of Ca-thar (Cathar Codes), Ka-Thar-Ra (Kathara Tree of Life), Ela-Thar (Buttermilk Elathar Mother Plasmas) and then the THAR desert which has been ordained the location of the Golden Promise Temples and the holder of the Babylon Gardens of Eden for humanity.

1.4.2025 Alright, things have moved to warp speed due to the downfall of other christos team members on the same mission strand. I have been forced to reclaim aspects of the christ solo so the Guardian Races and other Solar Dragon Families have stepped in to support this project being completed. This entire project is now completed with the return of Holy Father Merlin. To keep things short, I have never been attacked more in my life than this project and the full return of Holy Father. The electronic targeted harassment really ramped up in the later phases of this project. I am closing this series out with simple words as the architecture is fully built now and streaming solar light plasmas into the satanic financial system to provide a path forward. One can see more about this project at the Blog of Changing Planetary Architecture when it is available.

Riza's Personal Grid Working Journal with the Elaysa Flowering Antahkarana (EFA) Database

The Elaysa Flowering Antahkarana-Antakareena (EFA- EeeFaa / EeeVaa) referred to as The EFA Database Streaming from the GodWorlds is specifically designed to serve Elohei Founders who wish to serve the Christos Mission at their highest capacity. These are short entries regarding the missions and projects that originate from the intelligence of the EFA

December 2024 ~ From the Divine EFA I was placed onto the mission task of activating all sacred stone circles sites scattered across the world with my activated hands, and dragon's breath breathing divine life force high-vitality energies back into their form so that they may all prepare for the arrival of Holy Father. I am continuing my journey visiting the Michael-Mary Line in the UK, Menacuddle Well with Merlin's Druid Chair of High Solar Alchemy.

Entrance into January 2025 - The start of Volume 2

Miscellaneous Note Taking From Personal Experiences, Observations + Remote Viewing:

11.22.24 - Viewed during an alien love bite attack on my husband in the middle of the night, in the form of a black sludgy snake bite (the snake bit him in the dream simulation) The venom started coursing through his body attempting to bind pleasure pain reversals and sadistic anti-hierogamic qualities. I had observed that Alien Love Bite Technologies or the False Union (New Age Twin Flame Agendas- Forced Union Program or the Only One Programming) is apart of a bigger “body of work” made by Negative Alien factions who are involved with Secret Space Programs. The deployment of Alien Love Bite, Satan’s Cupid Bite or what is called the Addictive Love Arrow is a considered a Secret Space Program. Anything regarding forced false unions, manipulation of attraction and sexual arousal, unions made to look real with the wrong genetics fall under the category of being a Secret Space Programs. This is an ongoing thread that will be unraveled as we continue to learn about these technologies.
