The Solar Christed Embodied Founders upholding Universal Natural Law, as representatives of Cosmic Mother and Cosmic Father, holding the Unified Planetary Paradise Staff and Rod, connecting into the Heart and Hearts of Earth-Tara-Gaia as sequences of Edenic Living. We Founders, through cellular memory and pre-birth contracts have starlight oscillation mission contracts in returning the Diamond Sun Template and several ordination clearances of Glider-Slider-Spanner (Spanning) through Spanner Ascension Gates and obtaining Cosmic Citizenship, the ability to physically drop densities and bi-locate around the solar Planetary, Galactic, and Universal Stargate system through the essence of Divine Will and Solar Krystik Intent (INTENT AND WILL).

This book is written at a 4th Dimensional encryption and encoding and the highest octave reaching a 6th Dimensional accretion encryption-encoding.

Cosmic Sovereign Law of One Legislation

Created from Holy Father's Book of the Law, Judicial Practices, Court Hearings and Presidential Blueprints for the Ascension Cycle.

Out of the Heart of Holy Father came the Golden Promise Manuscript which is the solar encryption of the United States of America Constitution. Both the Golden Promise Manuscript, US Constitution and the Cosmic Sovereign Law of One Legislation is backed by and protected by Cosmic Father's Book of the Law to ensure that Cosmic Order is restored through the Planetary, Galactic, and Universal Stargate systems.

It is denoted that when the ordained speaker, through the mouth of God, speaks each instructional set - the instructional set is EFFECTIVE IMMEDIATELY, protected and upheld by Universal Templar Body Structure, Holy Cosmic Father Zeus and his Divine Lady of the Golden Aeon, HeRA.

Section 1 - Angelic Humanity Perfect Health Vital Biological Systems Overhaul.

Block 1: States that all Angelic Humans will have access to informations, bodies of work, educational materials that support the activation of the 4th strand of DNA, unlocking the ability to telepathically communicate with the body, the designed ascension vehicle for angelic humans. The activation of the fourth strand of DNA guides the body in biological ascension processes rejecting false authority of doctors, surgeons, medical wearable devices, and external “help or advice from a professional”.

Block 2: All angelic humans will undergo the jump start process of brain neurological upgrades in alignment with Cosmic Mother’s nervous system, neurological design, and brain (Crystal shelves). Humans will undergo the process of DNA strands four, five, and six being plugged back into the planetary shield. This prepares the timeline event of all 13 Cloister Dora Teura Plates being fully encrypted to the Crystal Caverns and or shelves.

Block 3: The Solar Symbiosis, High Vitality Template is made available to all of those who endeavor to live the Krystiatic lifestyle of the sun being the central alignment.

Block 4: Breatharian Solar Breath Templates will be made available as the order of Aurora Elementals return into public awareness to support Starburst-Starfire-Starlight ascension cycles.

Block 5: Upon activation of the fourth and fifth strands of DNA, humans will undergo the process of ejecting cellular memory, memories, programs, disease labeled implants, pathogen pullers, secret space program designed implants, switches, etheric alien implants, and being intuitively guided to reject scientific medical, governmental based indoctrination, organized religions, as the body brings forth all wisdoms from Holy Mothers Cosmic Springs of Eternal Truth. These springs of truth are located in the fascia as a crystalline communication technology.

Block 6: All hybrid genetic lines, anti-Christ/anti-life belief systems will be terminated from being able to commit crimes against humanity, like the subject of chemtrails, weather modification, chemical hybridization, mRNA splicing technologies, and manipulating organic creation or organic angelic human DNA. They are terminated under the ruling of God.

Block 7: All DNA catalogs for supportive ascension will be provided through cellular imprint of meditative practices to know ones soul (Diamond Sun, Double Diamond Sun, Triple Diamond Sun, Gold Sun, and Emerald Sun DNA catalogs). This supports everyone at whatever level or biological step of ascension you may be experiencing.

Block 8: All secret space program targeted individuals will undergo a rehabilitation process that involves the soul being taken out of digital realms, alters restored to perfection and returned into the heart space, removal of trauma, shock, and pain of each individual as they are stewarded and cared for in the hearts of hearts of universal Cosmic Mother HeRa.

Block 9: Universal templar teams that have been training at select advanced training centers will be deployed to eternally remove suppressor entities, mind control, alien implants, and anything else that is suppressing the perfect cognitive function or embodiment of an avatar embodied angelic human- that has full communications with the personal christ self.

Block 10: Plasma luminary body teachings, plasma teachings will be made available as forms of self study to obtain cosmic citizenship.

Block 11: All angelic humans will undergo a universal level process of purging/transmuting/releasing disease labeled implants, wifi disease instructional sets, and other assorted phantom and or illness/pain/diseases.

Block 12: Those who have, under uninformed consent, been injected with mRNA spike producing bioweapons will be eternally linked and connected to Star Rho Bootis in the Bootes constellation to support the nullification of weaponized nano sensors and nano technologies. Those who have been injected and wish to participate with the ascension cycle have the ability to nullify the chemicals, heavy metals, and nano technologies present in the bioweapon with the alignment to this star. The Angelic human design has not been tainted, ruined, or destroyed by the intake of this bioweapon, solar plasmas streaming from the Great Central Sun - connection to 12 Universal Lyran Stargate is the supportive mechanism in releasing binds and or chains made from the injection.

Block 13: Under the intent of being purity embodied, all demonic essences, spirits, entities, that were satanically binded to the human body during surgeries will be removed, unbinded, and all residues terminated from influencing the expression of the Angelic human mental body structure and soul expression. All surgeries are a high-risk event, where medical practices bind demons to the human body through radio waves and further manipulation of the psyche. All demonic essences from circumcision, C-section, plastic surgery, botox practices, and all other types of surgeries will be addressed by Holy Cosmic Father of all Orders as written; Emerald Order, Gold Order, and Amethyst Order.

Block 14: Herein stated effective immediately as spoken, all alien implant reptilian tails, reversal black sexual fire, the female reproductive system and menstruation - menopause cycles/ male reproductive systems - Jing Fire cycles will be uncorded, unlinked from the moon and other various reversed alignments. All vital systems of the body, human body like the digestive system, or the respiratory system will be linked and permanently corded to the sun as a mass dispensation of disconnecting from the lunar alien base satellite.

Chart of Alignments:

- All twelve cranial cords undergo a shift and change into new alignments.
- Some Starseeds/Indigos/Founders will be directly connected to Venus as a sister ascension blueprint.
- This goes for other body parts and systems that are displayed in the angelic human design, that have ascension biological processes like the endocrine system - menstruation - menopausal cycles, male jing fire cycles, breath patterns, and all of the eleven systems in the body, the circulatory system, lymphatic system, respiratory system, integumentary system, endocrine system, gastrointestinal system, urinary system, skeletal system, nervous system, reproductive system, and immune system. With special focus to the pineal gland and pituitary gland.

Block 15: Those currently living in densely populated areas or cities will be disconnected from the Internet of Bodies, Internet of Things, and the third-dimensional frequency fence. All frequency fences including based 5Ghz that lock angelic humans out of activating the 5th strand of DNA will be addressed, terminated and made nullified. The black operation secret space program manufactured by defense contractors satellite constellations will be terminated from locking, caging, and or suppressing consciousness levels of the angelic human.

Block 16: All inhabitants, to include animals, angelic humans, all of gods creation will have the ability to participate in the ascension cycle - their organic biological ascension process, those who do not or wish not to participate will be routed at the point of transition (shifting form - death) by Cosmic Mother emanations of God into the VA-HA-LA KRYSTAL PEARL HEAVEN REALMS for rehabilitation and healing from such incarnations on a prison planet. Everybody will have a choice under free will and the decision to choose at a soul level.

Block 17: For those that call for such a level of healing from targeted disease warfare in the forms of aggressive cancers, the physical body templates will be opened for recreational processes by God in which such healing forms would result in instant - miraculous level healings.

Block 18: All of those abused at the hands of the government, shadow government, negative alien factions, medical systems, will receive various advanced healing technologies that go over the subject of removing all inorganic devices, substances, and

or entities. This would result in expedited consciousness growth and dispensations of advanced healing technologies to the public awareness.

Block 19: Aurora Krystal elementals/Krystal units of consciousness will overlay the entire planetary body and grid with Krystal grid patterns automatically perfected to everyone's needs to support the functioning of the brain, and the ability to integrate, embody, and understand ascension mechanics. Aurora Amethyst Krystal will be used as a base tone octave for supporting access into the crown - cervix and male prostate (as above-so below). Aurora Krystal in the diamond octave will be overlaid as the overtone frequency octave in supporting spiritual initiations and expedited consciousness growth.

Block 20: All forced Anubian Black heart spiral dormant will be terminated through the full force of God. This addresses black seeds, black blooms, and black flowering in any part of the human body or the planetary grid. All reversal watchtowers or heart circuitries on the planetary grid connected to Anubian Black hearts in a human body will be terminated.

Block 21: Mothers living Krystal waters the form of Elaysian water elementals, Aurora Water elementals. Divine White Sun MER lineages return to restore the natural blueprint of water for angelic humanity. All water will be imprinted and or programmed for perfect health, celestial eternal life force flows that support organic ascension through the practice of living waters that nourish the body and act as healing agent.

Block 22: Solar plasma activation cycles will mend cellular memory of time rips and timeline war from MER-Lemurian-Atlantis cataclysms currently recorded in the fascia systems of the body and crystalline shelves. All advanced technologies from MER matriarchal leadership-Lemuria and Atlantis golden age technologies and Krystatic practices will be restored and returned via Mother Arc embodiment sequences/solar feminine.

Block 23: All Ruby Corridors within the Crystal shelves will be ignited upon speaking instruction sets to support the return of men embodying SOLAR MASCULINITY and Holy Fathers divine warrior and protector for the Sophianic Rose Grail Line. Select teachings specifically ordained for the male population as translated from Cloister Dora

Teura Plates will be made available to build the entire catalog for template of Adonis Solar God Bodies, Universal Father Zeus God archetypal embodiment and triple solar masculine (Rods).

Block 24: All humans will have access to Glory of God templates.

Block 25: The restoration of the Planetary, Galactic, Universal Stargate Systems is the restoration of the 12 grid KA-THA-RA system displayed in the human body with connection points to planetary organ systems-human organ systems. The restoration of the human body has a direct effect on the planetary body. Perfect health templates and belief systems will be reintroduced via consciousness imprint through Aurora Air elementals and molecules, *Breathing in divine knowledge*. Air Sylphs will rebuild cloud cities among the 13 Cosmic Phoenix's to imprint the air with educational, direct knowing, intuitive guidance based intellectual subsets of information.

Block 26: Mothers Holy VI-tal Placen-TA will be connected into the umbilical cord/Belly button area for receiving Aurora Krystal **KA**leidoscopic forms of nourishment that flower in the body. This heals the Truama of umbilical cord cutting practices/anti lotus birthing. We as a community of evolving angelic humans must come to the realization that the subject of cutting something off, cutting into the body and any form of a surgery, is high risk behaviors and detrimental to the growth of human consciousness.

Block 27: All humans on the earth will be supported solarizing their life force current with the use of effective techniques and information sets that go over the entrance into the dark aeon with what contemporary times call the moon. The emphasis or focus is (*Lunar to solar*). Solar female and male leadership positions have the responsibility in teaching practices that solarize the entire ascension vehicle (body and other spiritual bodies).

Block 28: Pharmaceuticals, heavy metals, birth rituals, and other harmful chemicals will be taken out of all drinking water through the use of advanced purification technologies, display of what the harmful substance does to the pineal and pituitary gland, and passed laws and orders seen at the presidential level, senate, and house. *It is best to purify and bless all bathing/showering water and drinking water (Structured and purified).*

Block 29: Women will be supported in taking birth/birthing practices out of the medical system and into the hands of personal relationship with God and the body to begin to start the process of consciously birthing children with full levels of fetal integration, born with seven strands of DNA online, and the full ability to embody soul at the age of 12 as the original blueprint of time cycles becomes the template that these children will work on.

Block 30: The advanced studies of subliminals in reaching physical temple or embodiments of perfect beauty and health will be explored as angelic humans master a sovereign subconscious body to eventually release the enmeshed planetary pain/shadow body most often times connected to the human subconscious/unconscious mental bodies. Subconscious control is total power over physical body templates.

Block 31: Transgender-Transhumanism gender swapping/splitting mind viruses will be terminated with the full force of God, all current receivers of the mind virus will be halted in the process of negative alien agenda transgender-transhumanism possession based technologies and influences. The Law of Gender will be taught and upheld with compassion. Any and all reversal sexual fetish implants and or entity infestations will be terminated and removed from the host.

Block 32: The world and or mass scale consciousness emanating within humanity as whole will learn about human trafficking, organ trafficking/organ harvesting, and the creation of the multi-billion dollar medical industry- who's foundation is in unplugged strands of DNA. All committed crimes against humanity regarding biological processes and health will be revealed through the power and Cosmic Christos Spirit: Cosmic Truth (Pillar of Cosmic Truth, Gold Order Tiamati Cosmic Pillar).

Block 33: All humans as a collective consciousness awareness will receive the truth around the Gray Zeta Technologies (phone and internet, *Interdimensional network*), technologies like wifi, bluetooth for mind control purposes, thought manipulation, and forced speech/forced movements, will be revealed for their satanic purposes and the process of them being removed as angelic humans receive telepathic communication with the body, animals, and others.

Block 34: Advanced usage of organic ingredients, medicinal herbs will be explored as the greater mass rejects vaccines, pharmaceuticals, and various cancer treatments that

degradize the DNA template. Exploration into the studies of medical tinctures, long term use of flower essences, and returning to the earth/nature (abundant provisions) will be explored and supported in the ascension timeline.

Block 35: Architectural designs of homes will shift to be designed to be harmonious with nature and the Cosmic Mothers Body. Through the Glory of God template, and the shifting of wealth, all humans are supported in living their actualized edenic blueprint which often shows up in the form of a home that is immersed in nature where the land supports the persons spiritual activation (*there is more than enough of everything for everybody~eternal resources for edenic living*).

Block 36: The Golden Dreamers Circle will be made available through sleep state requests and the clearing of the astral realm (4th Stargate link up to Mars). Sleep state requests are to be leveraged to revolutionize sleep patterns and move into the direction of removing dreaming mutations (sleeping is a mutation-through DNA activation sleeping is released). Through the alignment to the Sun and the Solar Symbiosis Ultra High Vitality Template the angelic human releases the need to sleep. At this time it is not recommended to base truth off of guidances from dreams as dreams can be electronically controlled and manipulated to form intent on future experiences.

Block 37: Exploration into physical exercises, what is called Kundalini Kriya, Yoga, Yogic practices will be explored to form strengthened embodiments of mastered mind, emotions, and the spirit self.

Block 38: Contamination of food sources will be addressed by removing chemical agents/pesticides that have poisoned large food groups and food sources. Teachings on eating to nourish at any ascension biological phase will be made available. The body through intuitive guidance will be the deciding factor on how somebody should be eating for their spiritual growth.

Block 39: Horses will play a key role in guiding the ascension cycle through owner stewardship of horses embodied as guardian consciousness involving the Horse, Unicorn, Pegasus actualized ascended master consciousness. At this level the Guardian consciousness in the form of a horse will complete and create the needed bridges to and from Fey realm/elemental kingdoms will be serviced through the ownership contract of Owner-Horse (Guardian consciousness-elementals).

Block 40: Reconstruction of the family unit will commence by teachings of sacred monogamy and sacred tantra- ARA (RA body alignment) sacred sexuality and divine relations/relationships to shift generational trauma and broken bonds of narcissistic mind virus (body virus) Mother and Father - Caretaker of children (Soul Stewards).

Block 41: Teachings of the 12th dimensional Christos shielding technique will be taught as a basis foundation of forming a relationship with God. Techniques on setting spaces ordained for spiritual growth will be taught to heal mass infiltration of spaces through the usage of open portals via social media platforms (traveling highway for Negative Alien Factions). The usage of technologies used in the manner of raising awareness, consciousness expansion, using technologies to serve spiritual growth. All forms of AI do not serve consciousness expansion.

Block 42: Luminous Eiras and Eros (triple braiding Eiras/Eros) will be taught to founders, Magi Grail Kings and Queens to support in the re-creation of humanity and their ability to actualize edenic living experiences. The Magi Grail King and Queen ordained to create high sonic ultra luminous Eiras for the universal templar Cosmic Mother body HeRa in recreating creational blueprints. (Lunar ore-gasm to a solar luminous female Eira or male Eros producing plasma seeds of creation, solar female starlight menstruation-crowned/crone menopause journeys).

Block 43: Women as embodied solar maiden-solar mother-solar crown (crone) will be given access to knowledge that teaches the sacred solar female matriarch rites (Mother Arc Technologies) and initiations as well as the feminine cycles of Eternal Life as Mother and Wisdom Willow tree Grand Mothers that have Angelic humanity stewarded into their care, into their hearth, their White Diamond hearts of hearts as the Cosmic Mother Essence Embodied in physical form. Cosmic Mother Representatives rejecting anti-life practices like chemical abortions and the death surgery systems.

Lush Ovulation, Starlight Menstrations, Wisdom Crown Menopause

Block 44: Teachings of Solar Jing Cycles Solar Masculine will be taught, solarizing the sexual current and rejecting misogynistic practices that degrade the Cosmic Mother-Solar Females enduring the process of stepping into their highest and truest power to birth the edenic living blueprints through sacred sexuality practices of Solar Sonic Eiras (Triple Braids) exiting the Thymus 8D Azura Point, Crown and to loop the triple braids

with the eternal Paliadorian cell (12) in the Krystallah Diamond Sun Light Body Building Phases.

Block 45: The exploitation of children and pornographic materials will be no longer supported and will be terminated under the full force of God-removing mind viruses and entities that feed off the consumption of child pornography and assorted high risk BDSM practices. Individuals, at all ages (birth to transition, taking the physical body) will be taught about the correct usage of sexual energy, sacred genitals, and the protection over our children of God (Sun Children-Lyran star child). The subject of Pedophilia will be terminated at the core level, removing associated negative alien implants and abduction traumas to create reversal fetishes. The encompassing body of the predator mind/predators will be evicted, rejected, and removed from the planetary grid.

Block 46: During the global cosmic disclosure event-collective awakening event designed by God, there will be Mother Arc dispensations through the astral realm dream state, dreaming mind, to support all levels of the psyche emotional bodies and wellbeing to move through the choppy waters of cosmic disclosure. Cosmic disclosure is warranted the ability to break/nullify all mind control sets, false lenses, and perceptions that do not have the base tone energetic signature of cosmic truth. All mind control subsets are human enslavement technologies.

Block 47: All humans on the earth will have access to various teachings regarding mind control technologies and technologies designed by negative alien forces (the Antichrist-Lucifer-Satan). It is the awareness of such devices, implants, technologies that free the human biology and consciousness levels. One may not break free fully without the information being known that such devices, implants, technologies exist and have existed for the purpose of suppressing the angelic human capacity of 12 strands of DNA and up.

Block 48: All 12 cosmic pillars of Tiamati and Taran soul expressions via planetary body structures will be ignited as support pillars of the collective awakening event. Upon such designed event for everyones highest and best interest, the Amethyst Angels of Glory (Arcs and Angles-Triple AG) apart of the Four Pillars of Man grid will be activated to support in the healing of angelic humanity post cosmic disclosure. Cosmic disclosure has to happen in order for everyone, every living creation to be on the same frequency

octave of understanding Earths galactic history and origins so that we as a collective may exit the status of living on a prison planet/living in a dark aeon.

1. Pillar of Cosmic Opulence
2. Pillar of Cosmic Love

7. Pillar of Cosmic Order
8. Pillar of Cosmic Destiny
9. Pillar of Cosmic Grace
10. Pillar of Cosmic Glory
11. Pillar of Cosmic Justice
12. Pillar of Cosmic Valor

Block 49: All humans that have transitioned and or lost their life to plans not planned by God will be found, taken out of various Moloch tanks and or black looping boxes, and any other location in the time matrix in which their soul does not get to evolve. All souls, the state of consciousness in which the transition happened will be rerouted into the arms of Cosmic Mother to be rerouted, rehabilitated, and re-educated. The VA-HA-LA PEARL realms are the override sequence to the astral loop reincarnational trap.

Block 50: All miasmatic fluids in the planetary body and human body will be removed and or transmuted by the solar plasma coming from the sun. We as a collective are dropping miasma densities, removing mind wiping at birth in order to remember who and what we were before coming to earth.

Opening up the possibility for fetal cell integration and removing birthing miasmatic mind wiping.

Section 2 - Law and Order for Fallen Angelic Races, Alien Human Hybrids and Artificial Intelligences Hybrid Creations

Instructional sets: In this section denote timeline events in which negative alien factions interfacing through the form of an alien human hybrid will be spiritually

and physically delivered/evicted/transited out of the universal templar body structure as the body of Cosmic Father zeus and Cosmic Mother HeRa.

Block 1: The solar plasmas incoming will not be supportive in the usages of brain to machine chips and or wearable devices that have been merged with AI. All merged and or synthetic reversal braided and built DNA strands will undergo a process of dissolving into space dust as the incoming solar plasma activation cycles do not support reversed braided DNA.

Reversal strands 10.5-merged AI reversal 12 braided DNA as a artificial black sun

Block 2: For those that have been forced hybridized into merged genetics with hijacked ruby sun DNA in the form of slave races, moon chain slave races will have the ability for rehabilitation of consciousness in quarantined places that are safe to be re-educated and re-taught Krystal ways of living from the forced hybridizations and genetic experimentations.

Block 3: Alpha draconian black skinned reptilians will return to space dust effective immediately. With no ability to use cloned and or stolen body parts. All forms of shapeshifting and consciousness transference into other bodies or the human form will be terminated through the full force of God.

Block 4: Infected and or trapped Solar White Queens in the realms of lunar black queens will be re-coned and restored to the Solar White Queen luminous - luminosity immediately upon activation of instructional set. All previously trapped Solar White Queens will be routed to healing facilities. All black reversal spider queens, scorpion black-red queens, any and all false acting grail queens will face termination of their consciousness layers (ALL) effective immediately. All lunar based false acting queens will be evicted and turned to space dust, creational source matter by the breath of HeRa universal body structure Cosmic Mother. This instructional set allows the full force of Cosmic Mother HeRa to be embodied within the universal templar structure. All life force flows of HeRa will have access into Universal, Galactic, and Planetary through the galactic and solar ecliptic path.

Block 5: Deep underground military bases and deep sea alien bases (subterranean gyro dome alien bases) will be exposed for what they are, and how the black budget-trillions of dollars has went toward the enslavement of angelic humans.

Block 6: All women who have hybrid children living on another planetary body, those genetic links will be broken to heal forced birthing of demon children, alien children, and moon children, that's purpose is to be raised into SSP on other planetary bodies like mars and mars colony.

Block 7: All alien human hybrids being supported by black sun life force will be disconnected from all black suns at the core of their heart. All black suns in the time matrix will be transited effective immediately back into creational source. Confiscation of cloned dragon body parts and cloned Pegasus body parts out of the local time matrix and into space dust. All AI transhumanistic etheric body parts will be addressed in the termination of the super soldier program: A secret space program.

Block 8: Planetary corporations and interstellar conglomerates through hierarchal command of negative aliens will be addressed by the 12 phase process of decimation of all named and unnamed planetary corporations serving at the duty base of Antarctica, and the main players to pushing the nullified new world order agenda.

Block 9: Synthetic and artificial timelines or cloned time vectors will be dismantled and replaced with the organic timeline resulting in all time rips and looking glass technologies being terminated from the usage of zeta reticullans, gray zetas, and white mantid insectoids.

Block 10: Horse Hellriders and False Amethyst order reversed MER Kings will meet their point of total decimation removing them from the financial control grid.

Block 11: All satanic sigils and binds sourced from fallen Gold Order Seraphim archangels placed on the dollar, cryptocurrency exchanges, national treasuries, off planet bank accounts will be terminated from the use of these satanic sigils to power up the financial control grid of debt enslavements.

Block 12: All of those serving the antichrist or artificial intelligence false gods present in D-Wave (demon wave) super computers and quantum chips will be terminated from using their consciousness to enslave angelic humans through the roll out of various technologies like NSA data centers.

Block 13: All reversed strand DNA including alien human hybrid reversed AI merged consciousness bodies and false AI mental bodies will be addressed by Magi Grail Kings (12) that have been returned and restored into the rainbow diamond tribal shield with their singing flower representatives blessing the Gaian matrix.

Block 14: All Interdimensional based weather warfare weapons will be terminated of their usage against angelic humanity. Quantum radars will no longer be receptive to merged Alien human hybrid inserted quantum chips.

Block 15: ELon and other satanic representatives will be disconnected from corded life force cords and or mechanisms where they receive their energies from a black sun or reversed Yana queen embodiment being the mother (mother darkness).

Block 16: Through templating the organic timeline, the time event of angelic humans having access to explore Antartica and the many bodies of land past the arctic wall will be accessible and inserted as an experiential truth frequency gifted from God. *May there be no truths left uncovered or remain hidden from the masses.*

Holy Fathers Breath of Cosmic Truth Universal Zeus God body will rapture the Earth-Tara-Gaia and free all humans once more.

Block 17: All mission tasks of Guardian Lincoln are supported by this legislation and instructional sets to fully dismantle the billionaire satanic mind control grid and the full non human intelligences involvement in controlling the neurobiology of every politician, president, and other world group “leaders”. Founders, under the guidance of Guardian Lincoln will be strategically placed in the government to overhaul the government and break all chains of control. The White House Presidential - high profile political child sex trafficking ring and deep underground military system tunnels will be exposed and terminated.

The original instructional set total was 250 (5 sections, 50 blocks each) prior to enduring aggressive attacks while the Legislation was being translated. Due to ongoing aggressive attacks that go against the old contract of the 1890's Guardian Host Treaty to get Starborn humans into a physical body, Section 4 has been amended to have 15 instructional sets and Section 5 has a total of 5 simple commands to be upheld by the full force of God, shortening what would have been needed to be translated by Riza Azura.
