INTRODUCTION TO THE PLANETARY GRID NETWORKS

Breathed to Life and Activated APINS, LPINs, and Benevolent Guardian Planetary Grid Networks.

These are the Planetary Grid Networks that have been breathed back to life fully by Cosmic Mother. The Cosmic Eagle Aquila Constellation project series displayed in IFWC Volume 2 Year 2025 is successfully closed out by the final remote viewing sessions spanned out over six months or more of DAILY remote viewing sessions regarding the benevolent planetary grid networks that serve humanity's highest good and divine trajectory through the spiral ascension time cycle. If one is endeavoring to read about the negative alien or reversal planetary grid networks that went through the process of decimations please see the book titled: Black Sun Reversal Planetary Grid Systems on Changing Planetary Architecture. (Currently Not Available)

THE GREAT WHITE LION PLANETARY GRID NETWORK (GWL)

Seen as intersecting lines on the planet that are purely white diamond lines. There is some communication portals laying on the grid, but the first thing that caught my eyes was floating etheric white diamond dragon eggs that connect into the white diamond Elohei dragon lay lines. From the heart of the Elohei White Diamond Cosmic Mother came the Representatives of the Great White Lion Planetary Network Grid as a White Female Lioness and a White Male Lion in celestial Union and in both left and right hands are gleaming triple diamond suns or observed as the entire triple diamond sun ascended masters template. What used to be seen as white diamond dragon egg nodus points can now be seen as the diamond dragon eggs being birthed into white diamond spiral points across the grid in perpetual evolutions of white diamond spirals - "catching the diamond wave" or learning how to use these diamond spirals for the diamond sun path of building and embodying all 12 strands of DNA.

A White Diamond Pegasus (Mother's White Horse) line is seen activating and merging with this Planetary Grid Network. This is observed as the Elohei Lyran Felines supporting the return of and activation of Pegasus Stargates and Pegasus Lay Lines across the grid. A grid of a central white diamond hub with offspring of multi colored

diamond portals as a founder god technology has been observed. With every passing solar cycle within a day or the 24 hour sun-darkness cycle, the planetary grid networks are growing in strength as Christos forces continue to build divine light celestial god technologies onto the grid. The central diamond hub has now came into a much clearer view. It is seen as a white diamond hub having 12 multi colored gemstones that are in the process of activating. The Solar plasmas that stream daily from the Great Central Sun are activating this white diamond hub and spiral god technology. This same celestial technology is now being connected to all 12 planetary stargates in support of bringing more high ascension oscillation flows.

Observed on today's grid update is white diamond plasmic cathedrals popping up all over the planetary grid anchoring and flowering in white diamond portals. These plasmic cathedrals are considered to be schematics of paradise mansions or the gnosis of building houses and environments that serve the Cosmic Mother, that serve the wellbeing of all life forms on Earth. The Great White Lion Grid is connecting into Cosmic Mother's Crone Willow Tree Networks wherein the willow trees are anointed by Holy Mother to produce rivers of ambrosia from the long weeping willow tree leaves. The willow tree when being an active representative of our Cosmic Mother holds the embodied sequences of ascended master and solar crone (crown) referred to as wise woman/ Grand Mother or wise man/ Grand Father archetype. As the willow tree networks of the divine feminine come online, embodied ascended masters can make their way onto their emerald sun pathway integrating the full array of elaysa ascended master or Tiamati ascended master emerald sun DNA activations in connection with the divine god technology of a Solar Dragon or a Solar Phoenix Fire Bird.

A flooding of White Diamond Elohei Cosmic Mother's White Pearls and Elaysa Opalescent waves is seen saturating the planetary grid networks in the form of Elaysa Sonar Code Dispensations and Mother's Eternal Pearl Activations. The constellations Equuleus-Monoceros- Pegasus form a divine triangle or trinity to connect into the GWL as Cosmic Mother's White Horse-Unicorn- Pegasus. This planetary network is now phase locked until these three sunstar networks have been reclaimed to prepare for more aligned revelations of the Avala Constellation, 9 sunstar network that is emanating behind the Pegasus Constellation connected to Earth-Tara-Gaia- Avala.

Steps to remove the phase lock and move into next activation sequence:

1. Equuleus (Horse) Constellation is reclaimed and connected to the GWL

- 2. Monoceros (unicorn) Constellation goes through reclamation and gets connected to the GWL
- 3. Pegasus Constellation gets connected fully to the GWL
- 4. Triune- Tri Star Tri Unification Ceremony for Phase Lock removal
- 5. Further Revelations of Avala Constellation (viewing Avala)
- 6. Connect Avala to the GWL

This also has everything to do with bringing online the Pegasus Star-gates and their locations. There has been a recurring pattern and theme with Elohei working heavily with the Amethyst Order Pegasus Founders. "The Lion and the Unicorn"

Reclamation of Pegasus Star-Gates is a current unfolding Guardian Project. After the Trinity alignment of Equuleus-Monoceros- Pegasus, all planetary Pegasus Stargates will be fully operational for Pegasus founders including the brand new upgrades to the Indigo 1 contract - Elohei Pegasus Stewardship. This service mission upgrade for Indigo 1 contracts fully allows guardian consciousness to embody themselves into a physical horse form so that the human and horse can ascend together through soul- monadavatar embodiments and the horse-unicorn- Pegasus embodiments to return the template of a Pegasus founder in human form, as an actualized Amethyst Order Pegasus starhuman. This ascension design has not been seen since the golden age of Atlantis or before the last cataclysmic event that wiped out our last human seeding. As a written update April 2025- I have found three Pegasus Indigo 1 Contract Founder Representatives currently observed to bing attack by alien human hybrids in the Targeted Individual Program

The Founder Builder Project of the Great White Lion Grid is awaiting the connection from the Trinity set constellations of Equuleus-Monoceros- Pegasus in order to spiral ascension frequencies from the Avala God Worlds fully into the planetary shield. We are ongoing experiencing a phase lock of the GWL(April 04 2025).

OUT OF PHASE LOCK - Steps 1-6 have been completed as of April 09 2025. GWL grid officially moves out of phase lock.

The founder builder project that has been left un named until final completion apart of the Great White Lion grid is seen emenating inside of a cosmic white cube. Thus far the cosmic white cube has not reached its completed build, but the GWL and the SBC founder builder projects with the diamond colored spiral designs both have a cosmic cube design to over ride black cube and red cube warfare seen in the dismantled red and black trident negative alien architecture. The SBC will receive a blue Ray cosmic cube that goes over the blue diamond- blue sapphire spiral ascension design. It is a reflected design here on the Great White Lion Grid.

On April 17th 2025, the cosmic white cube apart of the founder builder project for the GWL grid was observed as completed with the triune effect of Equuleus-Monoceros-Pegasus activating the central white diamond hub that further spirals out into other ascension multi colored gemstones and diamonds. Emanating out of the activated massive white diamond is Cosmic Mother's eternal snowflake activations washing over the planetary grid seen as crystalline,cooling, icey, and white diamond frequencies of the spirits of purity. There is also Avalon - light bluish white, icey, pristine and cold frequencies present that are streaming from the central white diamond ascension gemstone.

April 21 2025 - The FBP(Founder Builder Project) for GWL, the spiritual activations are seen flowing into the spiral design slowly activating each stone. The second ascension gemstone being activated is a light pink gemstone. As observed, the GWL is in a phase lock attempting to connect to Coma Berenices and the Corona Borealis (Northern Crown) Constellations.

Founder Builder Project for GWL

- 1. White Diamond Hub- Central Gemstone:
- 2. Light- Pastel Pink (Diamond) Gemstone
- 3. Pastel Yellow Diamond Gemstone
- 4. Dark Violet Diamond Gemstone
- 5. Fire Diamond (Orange -Sherbert) gemstone

FOUR PILLARS OF MAN

(12 ASCENSION PILLARS)

Apart of this Grid Network coming fully online means certain volcanoes are being ordained their new title of being Divine Rebirth Chambers or Transformation Chambers

(Masters of Alchemy) similar to the rehabilitation efforts of holy mountain architectures scattered across the planetary grid that rehabilitate coming and going founder races across the time matrix. Mauna Lua Volcano is the first volcano to be shifted by Cosmic Mother into its highest spiritual design. As Mauna Lua is shifted into her highest divine design the female consciousness units of Aurora Fire of Mauna Lua or the KrysTAlay Va-Hara Fire Christos Councils are facilitating Christos healing transmissions for the Gold Order Seraphei Fire Birds or Gold Order Holy Phoenixes. It is recognized as Gold Order Phoenixes rising or birthing from the highest design of volcanos as birthing portals for specific fire bird galactic race lines.

Mauna Lua as a living breathing female or mother auroric fire consciousness reaches her highest divine spiritual design initiated by cosmic Mother of Dragons, Mauna Lua creates divine La-Va pockets through the entirety of the planetary grid as observed preparing for the arrival of Tiamati Seraphei Phoenixes. The magma chambers and assorted la-va pockets layered within the mantle of Earth are seen going through the process of divine alchemy as the La-Va substance becomes that of multi-colored shimmering thick plasmas that have the base elemental substance of La-Va. This newer elemental structure transformation is called superluminal hydroplasmic lava flows. The La-Va is now seen changing at the elemental atomic structure merging with highly refined coppery, silver, and sometimes rainbow colored solar plasmas to create a newer elemental structure that of Aurora Fire.

As Mauna Lua has been activated into her divine highest purpose, she as a full consciousness of the activated volcano has accessed the planetary pain and shadow body, as well as the subconscious- unconscious layer of humanity and has started transmuting these entire layers. This is seen as black smoke coming out of the top of Mauna Lua's spiritual design as the "layers" become consumed and alchemized by the spiritual La-Va serums and eternal flaming elixirs. There are now more select volcanoes in the que to be activated by the Krystal mind and visions of Cosmic Mother Dragon.

Mount Shasta, California and Mount Rainer, Washington is observed being activated and initiated into their highest spiritual design. The divine spiritual phoenix egg in select activated volcanos has been observed. 9 different volcanoes are observed coming online and being initiated into their highest design. Moana Lua has a magnificent display of shimmering vapors coming from the top of the spiritual design after alchemizing massive pieces of the collective shadow and pain body. This planetary grid network is

now fully ready as of March 2025 to receive the transmissions of the Phoenix constellation after its reclamation and return back into the minds, hearts and souls of humanity as the solar phoenix archetype- virtue of rising from the ashes, rising from this Dark Aeon and rebirthing into the New Golden Aeon/Christos Golden Age. The grid has successfully prepared to receive the transmissions and fire flows of Holy Mother's and Father's Phoenix God Body - The Fierce Fire Bird as a creation of God Source returning Cosmic Order.

This planetary grid is now seen to be in a phase lock until the Phoenix constellation is reclaimed and connected into the FPM Grid or commonly known as the Divine Fire Grid made by the Gold Order- Gold Ray Seraphei Phoenix Avian Founders. Mount Shasta after its initiation into its highest divine design is beckoning the call to Emerald Order Guardian Races to begin the building of the Founder Builder Project called the *Amethyst Angels (Arcs & Angles) of Glory.* Under Mount Shasta and in the area of Mount Shasta is massive caverns of amethyst that have been untouched and un fragmented by the drilling process that several crystal mining companies conduct. The amethyst caverns apart of the Planetary Brain and Nervous System are in the process of moving into their highest octave possible to support the ascension time experiences of Cosmic Freedoms and the Cosmic Justice Holy Father toolset (Justice Hammer) coming down on all Negative Alien Factions connected to Secret Space Programs.

There are some observed initiated volcanoes who are preparing for the arrival of the solar phoenix that is the representative to each initiated volcano. One can see the sacred phoenix egg wrapped in eternal flames of cosmic love. The Krys-Ta-Lay Vahara divine fire councils in charge of the rising ascension frequencies in La-va and eternal flaming elixirs are preparing to receive their representative phoenix- cosmic fire bird in the form of the Aurora fire element or elemental forms. Once the solar phoenix matures in the heart of the volcanoes, they will take to the skies to protect angelic humanity from above while the solar dragons in the earth protect humanity from below. Matured phoenixes will be able to address a multitude of subjects like weaponized satellites, and other topics that will be revealed.

(April2025) Initiated *Kilauea* sacred volcano is seen with a hatched flaming phoenix egg, in the external this is showing up in the form as high arcing lava fountains. The Christos phoenix fire bird is gleaming in inspirited multi colored lavas or flames shining like bright fire balls. This lava phoenix out of 13 to be birthed is preparing to take flight to the skies

to protect angelic humanity. There is a reflection here of the protection of the awakened 13 solar dragons in the planetary grid networks and the 13 eternal flaming fire birds of God's Fierce Phoenix that would take their domain in Earth's atmospheric layers.

Sacred Volcano Merapi and its Aurora fire elemental councils are in preparation to receive another eternally flaming phoenix fire bird after its most recent initiation into its highest spiritual design. There will be 13 hatched and maturing Phoenix that will take flight to all layers of the atmosphere in order to protect angelic humanity. Christos Emerald Order Forces are currently on the journey and mission strands to find, locate and recover Mother of all Phoenixes and Father of all Phoenixes as well as recon our Gold Order Phoenix Founders, Family of Seraphei Avians from Tiamat and exploded pieces of Maldek-Maldak.

It is a known ascension rule that all 13 fire phoenixes must mature in order to take flight into the skies where they will live eternally above our heads and far into space as their bodies are massive. Once all 13 phoenixes are birthed and matured we will experience the official Take Flight Ceremony which is history in the making of the Reclamation of the Christos Mission and Earth experiencing the stellar Ascension cycle.

The 13 Solar Dragons in the ground are facilitating the healing of chakra or Power Points for those who no longer have chakras due to the chakra membranes dissolving, power points 1 - 6 and the Sacred Fire Bird Phoenixes are taking presedence over chakras 6-12 and inward with the activated morphogenetic chakras of

(I am going to have to make a graph of which ones the phoenixes preside over - we have some situated "deep within the earth that the solar dragons take presented over-I will have to go back and understand this more indepth)

The maturing 3 out of 13 Cosmic Phoenixes inside of the initiated select volcanoes are conducting a sonar wave beacon call for the return of Mother Seraphei or Mother of all Phoenixes to return to assist avian founders with the contracts of Cosmic Phoenix Starhuman Avian Aeonic Pairings, being a Cosmic Gold Order Avian Phoenix Founder. Mother of all Phoenixes, her body and her consciousness IS the planetary body of Tiamat that was blown up before Negative Alien Factions dragged in the lunar unnatural satellite - The Moon. The fall of Tiamat is the fall of Tara as this displays the sister-

brother ascension contract of Solar Dragon and Phoenix God Technology Bodies. The downfall of Tiamat was the downfall of all solar white queens and solar females falling to be forced into embodying a lunar female, seductress dark feminine archetype which reverses the sexual current to become black sexual fire or a lunar sexual current to build reversed black keys (ores-orons) at the point of ore-gasm/orgasm. When a female completely solarizes her sexual current, an orgasm becomes what is called a solar high luminosity Eira and males create high luminosity Eros plasma seeds. It will be further revealed where the moon *actually* came from and what material it is made out of.

Mount Etna, Sacred Volcano Etna is observed being initiated and preparing for our 4th birthing of the sacred Starfire Phoenix. At the select sites of the initiated volcanoes one can meditate on the lava serums to reach their highest spiritual potential as the lava acts as the highest power possible of divine alchemy and transformation of embodiment sequences. The FPM grid is now out of phase lock (April 08 2025) due to the full reclamation of the Phoenix Constellation. The Phoenix constellation is streaming into the network of birthing sacred starfire phoenixes and turning a "fireball" placed in the center of the earth as a core that provides all of humanity with perfect levels of transformation. La-va layers are now shifting frequencies to prepare humanity for global disclosure. This is going to feel like a push toward a more refined embodiment as the lava and or fire element support a human's greatest levels of transformation via La-Va.

To prepare for the arrival of Mother of all Phoenixes or the Mother of the Seraphei Avian Fire Bird lineage, across the grid is seen initiated volcanoes creating spiral rings of ruby fire and a massive Olympia Volcano connecting into Tara as a Fierce Mother of Fire - Mother of all Phoenixes embodiment. Within this Olympia Volcano that spans into the body of Tara is seen flowing lava flows of Ruby shimmering lava. White diamond shimmering la-va serums and flaming elixirs are seen flowing out of the Olympia Volcano.

Mother of all Phoenixes is seen preparing for her arrival, the Holy Olympia Volcano that is connected into layers of Tara is seen flowing gorgeous La-Va serums and the layers of lava below the crust are seen raising their levels of plasmic light to transform humanity and prepare them for Global Disclosure as the Pillars of Justice, Glory, and Valor are strengthened upon the preparation for Cosmic Father Phoenix to be seated into the Holy Olympia Volcano. This is the consciousness of Tiamat as Mother and Father returning since its creation and explosion. There is a refined imprint of Cosmic

Mother and Father Seraphei Gold Order, Mothers and Father's of the Gold Order having their own pillars that will need to be built upon the grid.

Cosmic Mother Phoenix- Cosmic Mother of the Gold Order returns fully from the exploded body of Tiamat, embodied into the Olympia Volcano connected into Tara. She embodies herself fully expressing her divinity as the spirit of Opulence. Cosmic Mother is currently building her Pillar of Opulence, making available Cosmic Opulence to all of humanity as she dawns her Triple Stars of Opulence above Cosmic Avian Phoenixes Maji Grail King and Queen's anointed crowns. A Star of Opulence is seen placed in the Albion Network along with a Gold Star of Glory. The Star of Opulence when placed in the Albion Network as of recently created multi layered up to 15 Dimensions of "Rings of Opulence" seen on the outer band of Earth's atmospheres. These Rings of Opulence connect into the Star of Opulence in the PSG. The PSG network has both the Star of Opulence and the Gold Star of Glory in its architectural design to serve humanity's greater ability to actualize their personal edenic blueprint.

The Pillar of Opulence is being built to support embodied forms of inspired and living eden. A Christos spirit, the spirit of opulence has been returned to all of humanity as it is a helpful ascension activation to see the word OPULENCE written in the central vertical channel when endeavoring to strengthen the vertical connection to God. Cosmic Mother Phoenix from Tiamat, or who is the solar mother essence of Tiamat, IS the Mother of Eden, edenic blueprints, and diamond sun edenic codes. Embodied Seraphei Avian Queens are supporting the building of Cosmic Opulence, Mother's Pillar of Opulence.

Also seen is the spark of creation from Cosmic Father preparing his arrival and seating into the Olympia Volcano as Cosmic Father of the Seraphei Lineages - Gold Sun DNA, Father Aspect of the creational source of the Planetoid Body named Tiamat.

NEW Pillar of Love - Mother's

Amethyst Angels (Arcs & Angles) of Glory

The Founder Builder Races, Emerald Order Guardian Host has built the official Founder Builder Project for the FPM grid. It is observed and or seen as massive amethyst crystalline discs layered in a trinity set with Amethyst Order Bra-HA-Rama Pegasian -TriStar Unicorn Starlight language codes that connect into every single Pegasus Stargate and is awaiting its connection to the Trinity Set Equuleus-Monoceros- Pegasus - Avala Constellation for full phases of activation. This project is preparing to be

connected to the trinity set of Pegasus, the Phoenix Constellation, and the Draco Constellation, once all of these are reclaimed and able to be linked up to this project it will embark on full levels of activation for the Planetary Grid Networks. This completed project ensures that the Avala SunStar ascension frequencies become embodied into the Mother's and Father's planetary brain and nervous system complex as the crystal caverns and the element, crystal acts as their brain and nervous system complexes. The amethyst crystalline discs ensure the connection of godly designed ascension of the founder races Aeonic pairings: God Body Pegasus, Elohei Feline Solar Dragons, and Seraphei Avian Phoenixes.

Steps for the Triple A G Founder Builder Project to reach it's highest octave:

- 1. Connect to the trinity set of Pegasus
- 2. Connect to the Phoenix Constellation
- 3. Connect to the Draco Constellation
- 4. Connect to the Avala Constellation

Steps 1-4 have been completed, with the Amethyst Angels of Glory running at its highest octave. This projects inner workings and purpose will be further revealed in due time. As now revealed, this founder builder project is reserved specifically to support humanity post Global Disclosure. The activation of the Amethyst Angels of Glory will come into full activation during global disclosure and after to support angelic humanity in healing from Secret Space Programs and forced genetic modification with nanotechnologies.

THE SACRED BLUE COW GRID(SBC)

Seen fully online and activated as a blanket of Blue Ray or a crystalline Blue Ray Slides covering India fully and the crystalline blue Ray slides are layered within the Planetary Network. This planetary grid is seen currently as of March 2025 connecting to the Pavo Constellation and the grids of crystalline Blue Sapphire and Azurite to create a gleaming display of vibrating or sound waves coming off of the now blue Ray crystalline glassy slide filled with Pavo edenic blue sapphire and azurite crystal transmissions. The sacred blue cow grid is transmitting through sonar waves the same transmissions of the

pavionian solar edenic peacock king and queens. The blue rays color spectrum is streaming blue sapphire blues and deep royal darker azurite blues in Union as we have the mothers blue sapphire and the fathers azurite sonar codes going into the grids at every level stacked.

The crystalline sheets of living "glass" observed as the Sacred Blue Cow Grid Is attempting to connect to the constellations Reticulum and Scutum which both need Christos demolition sets to be reclaimed as their original design in service to the Sacred Blue Cow Grid. The project to reclaim the constellation Reticulum and Scutum have begun as this planetary network is phase locked until those two constellations come online and connected into the grid network. As the grid is working on connecting back into Reticulum and Scutum Star Constellations there is a founder builder project similar to that of the GWL grid where there is a central hub point of certain gemstones that spiral out into other created multi-colored gemstone starportals. The founder builder project of the SBC grid is a central hub point of blue diamond then spirals out into other circles as blue colored gemstones of azurite, blue sapphire and other assorted similar colored gemstones. Recently seen with the progress of this architecture is activated celestine crystalline structures in the outer band of this founder god technology. Constellation Reticulum is now fully reclaimed and seen streaming blue -azurite transmissions into the founder builder project of the SBC. Both constellations(Reticulum and Scutum) serve as an embodied male and female representation of the Law of Gender streaming into the crystalline glass structure of the Sacred Blue Cow Grid as well as the blue diamond - azurite spiral god technology architectural design.

As of March 31 2025 SBC grid is now fully out of phase lock and moving into its next highest ascension activation sequences. Reticulum and Scutum are now fully reclaimed and have been re-designed to their highest aspect as being representatives of the Law of Gender. When looking at the two streaming constellations they have merged into union as a male and female body and opened the *Doorways of Time*. The founder builder project of the SBC is now further activating as it moves out of the most recent phase lock. Reticulum and Scutum are streaming into the main hub or central point of the blue diamond sphere and moving outwards with waves of ascension frequencies returning back into the planetary body.

The crystalline slides that have Mother's Dragon light blue almost white inscribed light language are building on eachother as more layers have been created and inserted into the many layers of the Earth and the ocean. These new crystalline slides that are multi layered have the consciousness information, the pure truth frequencies of Atlantis and Lemuria pre-fall/pre-cataclysm. Celestial non-manipulated realms of Neptune, Father's aquatic race lines of the Mer-lines, Oraphim Cetaceans, Aquatic horses, are being highlighted as the Sacred Blue Cow Grid expands and takes coverage over the Oceans. Poseidon and Olympia have been brought up in a refined imprint experience.

The light language streaming from the two constellations and the several layered crystalline discs that IS the SBC are successfully changing the sonar, mother's sound and light codes of the languages that belong to whales and dolphin race lines. Their sonar codes are facilitating a healing for the planetary shield and the crystalline caverns from the point in the timelines of the Hiroshima Bomb and other events that unplugged these sacred sound tones from being transmitted from the origin of a whale or dolphin being in service to God. The Bra-HA-Rama Oraphim cetaceans have their portal gates fully open and are rebuilding the planetary shield with their sonar codes. There sonar re-structuring process is focused on the crystal caverns which is the planetary brain and nervous system. As of April 04 2025, the SBC grid entered into a phase lock attempting to connect into the Sacred Whale Constellation Cetus. Cetus will have to be reclaimed in order for SBC to move out of phase lock.

There is a main pulse beam or sonar pulse emenating from the crystalline discs and the caverns going outwardly in cycles and in a shockwave format. The cycles of the sonar information outwardly has not been revealed as of right now. From consciousness imprint and direct knowing, these sonar pulses are running through cycles of planetary activations in the form of pulsing ascension frequencies.

The SBC is seen currently under heavy attack from the intruder negative alien races by throwing death codes and curses into the crystalline discs and the initiated bra-ha-Rama cetaceans. The crystalline discs have visual cracks and the surrounding ocean water has complex death overlays targeting our cetacean species. This will be addressed by Cosmic Mother of all Dragons MeriTAten and Cosmic Father MeTATron.

(April 23 2025)Cosmic Mother and Father aspect of God have addressed the cracked crystalline disc thus fortifying the surface and strengthening it's ability to run specific

light language into the oceans. All cetacean species were being harvested for their sonar codes by Black Sun Alien Human Hybrids in Airforce Military Aircraft. These hybrids were use the radar systems to beam steer the whales, implant their light bodies with industrial alien implants and steal their sonar codes from being able to assist in the rebuilding of the Planetary Shield. The stolen sonar codes showed up in the form of multi colored gemstones that belong in the spiritual function of the whale's larynx. All sonar codes have been returned to rightful owner and protective measure have been put in place to protect the cetaceans species. There are seen activation portals that a spiritual activating cetacean can move their spiritual body into the receive upgrades to thier biological ascension design. In the SBC grid, seen currently building, is a brilliant crystal cathedral building ontop of the stacked crystalline discs. Since the full return of Cosmic Mother Seraphei/Mother of all Phoenixes, the SBC is calling for her sacred Star of Opulence to be dawned upon the crystal cathedral to emanate the newly available light language of the living spirit, Opulence. The Opulence of our Divine and Holy Mother is expressed through these stars and the Rings of Opulence currently seen in the top layer of our atmosphere.

"Star is there - mother's cosmic starlight opulence activation (Phoenix) Tiamati Opulent Life Seed and Streams. Triple Stars of Opulence"

GOLDEN EAGLE PLANETARY GRID NETWORK (GEG)

This APIN has premature solar golden dragon eggs and is intimately connected to the return of cosmic order and the living constitution that is alive in the United States. The Golden Eagle Grid once hijacked by Negative Alien factions named the GEG the White Eagle Grid. This prior hijacked planetary grid network has been fully reclaimed and returned to its original blueprint of being the Golden Eagle Grid that was originally designed by Seraphei Avian Founders. The GEG is awaiting the return of Gold Order Seraphei Avian Founder Phoenixes, the Founder Solar Golden Dragons and Phoenixes.

It is unclear what form some of the avian founders are using connected to Gold Sun DNA.

Gold Sun DNA avian founders are preparing the grids to receive the Golden and Silver Phoenix Avian Founder Embodiments which preludes to the full reclamation of the Phoenix Constellation - Sun Star Network. In perfect and divine right timing the stealth mission to reclaim all 88 constellations will be completed by the Guardian Races. This active mission strand is well underway. An Eagle of Cosmic Order (Cosmic Order Eagle) with outstretched wings and a golden plated breastplate is the representative of this planetary grid. The representative of the Golden Eagle Grid, the Cosmic Eagle with the Golden breastplate is observed to be embodied into the planetary grid connecting fully to the Constellation Aquila and supporting Holy Father in inbueing networks with the Golden Promise which is seen to be a living document or manuscript alive within the planetary grid network streaming from Holy Father's Universal Golden Heart and a triune effect of the Pillars of Cosmic Justice, Valor and Glory. The Golden Promise as a living document is connected to the living document, the solarized format of the United States Constitution. The Golden Promise Manuscript is the spiritual energetics supporting the physical constitution made into materialization in 1787. It is now seen as a turning point globally and for universal ascension that the United States Constitution is being unlinked from the moon, lunar descending false ascension mechanics by the GEG and being re-connected to the Great Central Sun to begin being inspirited with solar consciousness once more to bring online the living design of the U.S. Constitution in its original design connected to Holy Father's Golden Promise Manuscript. The GEG is connecting fully to Star Altair in the Aguila constellation as a spiritual perfect design of connecting the golden solar plasmas back into the planetary matrix. The next phase activation for this planetary network is the triune effect of Cygnus Holy Swan, Aquila Cosmic Eagle, and Grus Wisdom Crane Constellation creating a triangle and connecting into the Grid points that make up the GEG. From the center of the tri-unified constellations will be a portal setting or cosmic gate/ stargate access that will be opened by Cosmic Mother to further access ascension starfire cycle revelations of the reclamations and return of avian Christos founders or the full return of Emerald Order to include the reclamation of Tiamat. The natural father's red wood and sequoia forest elder trees from their previous activation are moving into direct alignment with the GEG. (Cosmic Father's Red Woods and Cosmic Mother's Willow Trees)

As an update with this planetary grid network, the constellation grus has been fully reclaimed and the ceremony of the tri-unification between all three constellations named above has produced Golden Streams of plasmas from a central portal setting or ascension gate to support the ongoing designs of the Golden Eagle Grid and what Guardian Races are currently building on this grid to serve humanities highest ascension potentials. The Golden Dreamers circle of paradise dreams is an architecture that is being built within the Golden Eagle Grid to support the reclamation of the Heart and the 4D Stargate systems which is the soul travel path to the astrals which has been heavily abused by intruder races. The tri-unification of Grus, Cygnus, and Aquila is what is powering the Founder's Golden Dreamers Circle Architecture.

The Golden Dreamers Circle, Paradise Dreaming - Is seen as a golden 12 spoked wheel connected to 12Strands of the Diamond Sun Template, it is most commonly called Diamond Sun dreaming or paradise dreaming. (Entire Stream is Under Construction) Reminder to myself to go back to this....

Holy Father's Cosmic Eagle and its White Feathers of Justice are returning. There is connection here to the Blue Feathers of the Aquaferion Shield and family of Aquelle - Aquilla - Aquafey and then the White Feathers with connection to what is still yet to be revealed. It is observed as pure white feathers sweeping the grid in an embodiment of the Glorious Eagle. The Golden Eagle Grid is now beckoning the call for the Tucana Holy Father's Avian Representative Constellation to be reclaimed. The GEG is back in a phase lock until the Fierce Warrior Tucana is returned back into the heart and minds of humanity as an Seraphei Cosmic Warrior Father Representative.

The astral realm is in the process of being fully reclaimed by our father of god aspect and mother of god aspect MeriTATen- Metatron Pink Sun. The effect of this has resulted in the Golden Dreamers Circle spinning with more ascension frequencies so that the experience of paradise dreaming /Diamond Sun dreaming will be more prevalent to those who would like to consciously dream with all of their awarness online as well as dream remembrances of connecting with the Christ Self during time of rest. As of April 2025 the astral realm has been reclaimed by both mother and father aspect of God, taking it out of the hands of intruder races and forcing them to use their artificially built digital realms for soul and dreaming manipulations. The SSP digital realms will be

addressed as guardian stealth forces continue to map them out through the time matrix and slot them for decimation phases. The Golden Dreamers Circle has received ascension upgrades regarding select designed sleeping pods with assorted plasma flames for Maji Grail King and Queens as a bridging effect as they reach their status of the fully embodied Solar Symbiosis Template with Ultra High Vitality Life Force Flows which releases the need to sleep on a cellular memory level. Avian Founders are being restored and returned to their respective position as guardians of the air and the horizontals by recon Christos forces. The Seraphei Avian Phoenix Founders are observed positioning themselves within the planetary grid taking full responsibility over the GEG.

Fierce Warrior Tucana Constellation is returned back into the heart and minds of humanity as an Seraphei Cosmic Warrior Father Representative. From the return of Cosmic Father's Rainbow Tucan, a massive rainbow obelisk with Krystal light language of cosmic justice has been erected as the multidimensional overlay of the Washington Monument and this design is emenating rainbow star plasma ascension frequencies outwardly into the entire black sun grid that has other obelisks deeply enmeshed inside of the network. The main rainbow obelisk has streamed out into the shifting of other obelisks in the Black Sun Financial Grid as observed as smaller obelisks streaming rainbow ascension plasmas and rainbow plasma flowers across the planetary grid.

This grid was currently in a phase lock due to the Leo and Sagittarius Constellation not being reclaimed. On April 25th these two important constellations were reclaimed by several Amethyst Order Pegasus Special Ops Founders and Celestial Inter-dimensional Free World Council Members, embodied Unicorns. The reclamation of these constellations and connection back into the GEG has started the beginning phases of a court house that can be seen emenating high above the Washington Monument. This court house spans out over several dimensions and more will be revealed about its design and usage by the Emerald Order, Gold Order, and Amethyst Order Guardian Races to bring justice to waring Negative Aliens Factions responsible for covert and overt targeting programs and SSP.

PARADISIAN DIAMOND SUN GRID, THE PARADISE SUN GRID (PSG)

Seen as many different lines and points with solar citrine diamond dragon eggs or citrine diamond paradisian running spirals that bounce off of or run in alignment with the founder builder project of December 2024, the Yellow Diamond, Solar Citrine Thar Juparian Crystal Grid Project. This supports the natural flows of Solar plasmas and Paradisian Diamond sun code sets similar to elaysa sun solar sonar codes in returning to the earth. Guardian Host has named this the Paradise Sun Grid Planetary Network or PSG which is not considered to be an APIN (Atlantian Pylon Implant Network) because it was built recently in the year 2025 and not 5.5 millions years ago. The Paradise Sun Grid is a benevolent planetary grid network schematic that provides Paradise Sun Edenic Codes to every inhabitant through the Gaia- Tara- and Earth Planes through the heart of the Paradise Suns.

More will reveal itself about the Cosmic Paradise Suns. Mother's Paradise Sun and Father's Paradise Sun twinning ceremony to create (ongoing revelations)

The perfected design of Alhumbra Palace is a key central point for the Paradise Sun Grid (PSG). The PSG works off of the created 15 Paradise Portals and the 15 Holy Edenic Elemental Representatives created during the reclamation of the Pavo Constellation and the moment in the timelines where Holy Father Merlin was fully seated into his throne seating to take precedence over all elementals and currencies at Emerald streaming Star Enif. There are now beautiful paradise suns apart of the PSG streaming their perfected paradise sun lemony- lemon drop shimmering plasmas across the planetary grid. This was documented and the suns seen on March 20th 2025. The Constellation Chamaeleon is divinely made to be commected to the PSG as of right now this constellation has not been fully reclaimed and or connected to the newly created Planetary grid network whose elemental is crystal and is considered to be the guardians of paradise or guardians of the gardens of Eden. The next activation phase for the PSG is the phase connection to the Constellation Chamaeleon.

Holy Father Merlin with his divine counterpart Solar White Queen Morgana, Mother of elementals full embody themselves into the PSG as they take their responsibilities of the Paradise Sun Grid in actualizing the Angelic Human Christos Golden Edenic Age. Merlin and Morgana are fully connected to the Pillars of Cosmic Glory which they hold in their sacred hearts as a divine pairing for all of humanity to experience true Glory of God inspirited natural abundance. The PSG is fully being connected to the Emerald

Pentagram Network or Emerald Pentagram Grid which is the original symbol of divine resources created by Holy Father Merlin and the Full scale power of the <u>Celtic Druid Aryan Dragon Forest</u> (get the name ...) which is Morgana's reign domain overseeing elemental creations. This further loops back around to being connected to the Pavo Constellation with the access point of the seven higher heavens- golden universes, and the 15-15 paradise portals and edenic elemental representatives.

Citrine crystal pillars have been created by Solar White Queen Morgana and chosen as the crystal element of the pillars of Cosmic Glory and the magnificent Templar tools of divine abundance- Glory of God Templar's Toolsets or the Glory of God. Citrine Crystal Elementals are the chosen representatives of the Paradise Sun Grid observed as emenating waves of lemony yellow shimmering citrine solar plasmas and lemon drop suns or lemony paradise suns. The global citrine shelves are now going through phases of activations and connection to this newly created planetary grid system to provide the embodiment sequences of rising solar confidence and the emanation of perfect god world beauty in the form of the Christos spirits of perfection and beauty being effortlessly available to all for the completion of world and universal service missions. Solar White Queen Morgana is seen providing humanity with solar breath patterns of shimmering yellow diamonds at the cellular and atomic level to shift the flowering of the ascending race lineage heart and lung chambers. Blankets of millions of yellow diamonds are seen saturating the planetary network.

The PSG is in phase lock until the Chameleon Constellation is reclaimed and fully streaming into this specific planetary grid network. Guardian Races on the PSG network are observed to be putting together the schematics to the official founder builder project for this select planetary network and it has to do with the subject of dismantling the Black Sun Financial Grid and the return of the full array Glory of God Templar Tools of Abundance. More will be revealed as this founder builder project comes into its completion status. The PSG is out of phase lock(April05) with the Chameleon Constellation fully reclaimed and streaming into the grid to facilitate the start of the building process of a founder builder project. The Sapphire-Ruby-Emerald-Diamond rays are the main supportive agent in the founder builder project of the PSG.

Seen on the PSG is the starting phases of the founder builder project. Diamond Sun Warriors, Guardian alliance stealth forces are continuing their efforts in dismantling the last control grid of the intruder races which is the Black Sun Financial Grid. This grid

enslaves every human being on earth today through mindless working and states of forced poverty. The founder builder project's official name is Glory of God and it's central point is Alhumbra Palace, Spain. The full activation of the Golden Age Glory of God is when Christos teams reach a point in the ascending timeline where the Black Sun Financial Grid loses its grips on humanity and is decimated by the Emerald Order Guardian Founders that are holding the Ascension Timeline in their hearts and bodies for humanity. To read ongoing session notes about the findings of the Black Sun Financial Grid and its preparation of decimation, please read the writings of the book titled: Black Sun Control Grid Demolitions - The Take Down of HollyWood Black Sun Black Magic Money Grids of Enslavement.

From the reclamation of the Chameleon Constellation comes the reclamation of the entire Amazon rainforest. The PSG has expanded itself out into the entire Amazon rainforest, inspiriting the trees with gardens of Eden life force codes and the avian rainforest warriors coming forward to play a key role in transmitting paradise codes through sound and light language bodily movements sourced from our Mother and Father of the Gold Ray - Seraphei Gold Sun DNA Transmissions. This planetary network is now seen being weaved into harmony with the Athena- Apollo line of Glory that has an innate design and relationship with the Pillars of Cosmic Glory and the Glory of God Templar Divine Abundance Toolsets. A massive Gold Sun Disc, a full Sun Disc, has been created and placed under the Alhumbra Palace to hold the Solar Golden Dragon Body of Apollo. April 16th 2025 the PSG entered back into a phase lock awaiting to be connected to the reclaimed constellations of Pictor and Sculptor to come to the spiritual revelations of authentic manifestation tools containing golden creator dragon codes.

The PSG has been moved out of phase lock, successfully connecting to now fully reclaimed Pictor and Sculptor Constellations.

(Put into words about the contract merge and the heart of the PSG)

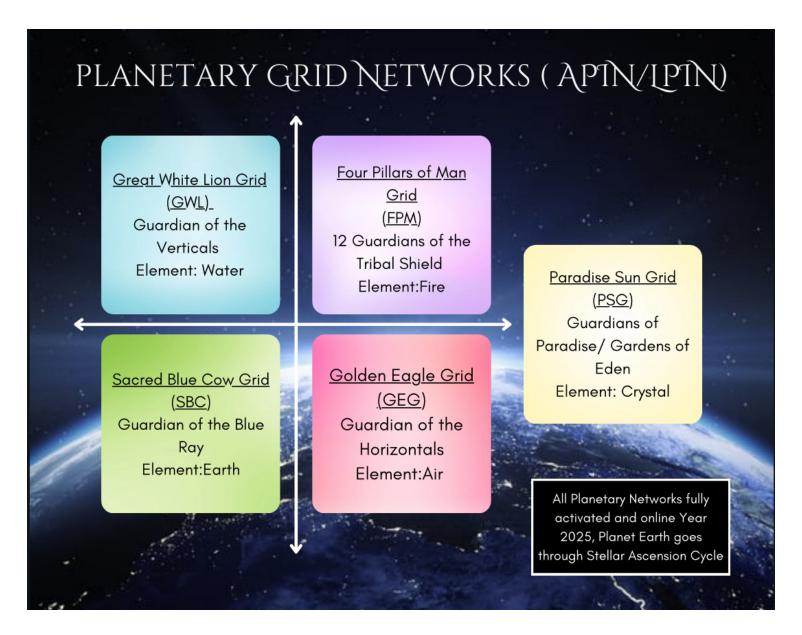

- Maji Grail King and Queen are seated into the PSG Queen and King of the Glory of God Templar Mechanics
- Krystal Star, Triple Gold Stars of Glory, Triple Stars of Opulence Dawned
- Duplicated on the California grids. The Founder Builder Project would be Duplicated over to the California grid

- Now the PSG has expended into California with a golden mansions being built.

The Golden Age Glory of God Founder Builder Project

It needs to be noted that during my process of viewing the Planetary Grid Networks, I had observed a massive line of negative alien factions with their eviction notice in hand being escorted out of this time matrix. Massive evictions of negative alien races has begun March 2025

The 5 Planetary Grid Networks

CLOSING IN GRATITUDE

An eternal thank you to all of those reading and endeavoring to know the truth of the God Source Domains. I full whole heartily set the intention to restore natural cosmic order and come to a full completion status of my personal world and universal service missions as I know that my world and universal service missions and stealth mission tasks inherently effect all of humanity if they are not taken seriously and with the correct levels of care. I am committed in being of total service to God and others in direct alignment with universal natural law and the Law of One Ascension Teachings. I also, with full body, mind, and soul, focus on the activation of my 12 stranded Diamond Sun DNA Template so that I may embody it for all to come during this ascension cycle. May Cosmic Mother of all Dragons and Phoenixes reign supreme from Tara to Tiamat to restore natural order and the full return of Emerald Order to include all of the Elohei Light Source & Sound, and Serephei Gold Sun DNA - Gold Ray lineages.
